ANALYSIS / ADDITIONAL INFORMATION: This is one of the city co-sponsored special events per Resolution No. 021003-40. In summary, the total fee waivers and payments authorized for this event are estimated not to exceed \$40,788. Additionally, the Parks and Recreation Department refundable damage deposit requirement of \$2,500 and is also being waived. Any fee requirements above this total are the responsibility of the applicant.

Waiving fees for this event results in unrealized revenue for the following funds and departments: Transportation Fund, Austin Transportation Department; Austin Resource Recovery Fund, Austin Resource Recovery Department; General Fund, Police, Parks and Recreation, Health and Human Services, Emergency Medical Services, and Planning and Development Review Departments. Although budgeted revenue for fees is based upon historical data and not necessarily upon specific events, the waiver of these fees reduces potential revenues that could be realized.
