

## A G E N D A

## Recommendation for Council Action

Austin City Council	Item ID	22181	Agenda Number	75.
---------------------	---------	-------	---------------	-----

Meeting Date:	2/28/2013	Department:	Planning and Development Review
---------------	-----------	-------------	---------------------------------

## Subject

Conduct a public hearing and consider an ordinance amending City Code Chapter 25-2 to make electronic prototype assembly and electronic testing conditional uses in the downtown mixed use (DMU) base zoning district.

## Additional Backup Information

This amendment was initiated by the Planning Commission.

Electronic Prototype Assembly and Electronic Testing are currently prohibited uses in the (DMU) base zoning district. The proposed amendment would make them conditional.

Staff supports the Planning Commission's recommendation of this amendment; however, staff recommends making the above described uses permitted in the DMU base zoning district, not conditional.
