Additional Backup Information

The Parks and Recreation Department (PARC) propose to designate a portion of the existing nature trail at Yett Creek Neighborhood Park as an off-leash trail. Yett Creek Neighborhood Park is a 40 acre park with limited park amenities. The only park amenity is a 1.5 mile loop nature trail. The proposal is to design two looped nature trails: one designated as an off-leash trail while the other would remain an on-leash trail. The community surrounding Yett Creek Neighborhood Park is in favor of this new amenity.
