**THE PRINCIPAL AMOUNT** of the Term Bonds required to be redeemed pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the District by the principal amount of any Term Bonds of the stated maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District with monies in the Interest and Sinking Fund at a price not exceeding the principal amount of the Term Bonds plus accrued interest to the date of purchase thereof, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory sinking fund redemption requirement.

**AT LEAST** 30 calendar days prior to the date fixed for any redemption of Current Interest Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Current Interest Bond to be redeemed at its address as it appeared on the Register on the 45th calendar day prior to such redemption date and to major securities depositories and bond information services. By the date fixed for any such redemption due provision shall be made with the Registrar for the payment of the required redemption price for the Current Interest Bonds or portions for which such payment is made, all as provided above. The Current Interest Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Registrar out of the funds provided

for such payment. If a portion of any Current Interest Bond shall be redeemed, a substitute Current Interest Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Order.

**WITH RESPECT TO** any optional redemption of the Current Interest Bonds, unless certain prerequisites to such redemption required by the Bond Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Current Interest Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Current Interest Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Current Interest Bonds have not been redeemed.

**ALL BONDS OF THIS SERIES** are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of \$5,000 in the case of the Current Interest Bonds and integral multiple \$5,000 maturity amount in the case of Premium Compound Interest Bonds. As provided in the Bond Order, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the

exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within forty-five (45) calendar days prior to its redemption date.

**WHENEVER** the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

**IN THE EVENT** any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

**THE BONDS** are payable from the proceeds of a tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bonds are further payable from the District's Net Revenues (as defined in the Bond Order), if any. The Bond Order provides that the District reserves the right to consolidate with one or more conservation and reclamation districts, to consolidate its waterworks and sewer systems with the systems of such districts, and to secure the Bonds and any other bonds of the District or such districts by a pledge of the net revenues of the consolidated system. The Bond Order further provides that the pledge of taxes and Net Revenues, if any, to the payment of the Bonds shall terminate at such time, if ever, as (i) money and/or direct obligations of the United States or obligations unconditionally guaranteed by the United States in an amount sufficient to defease the Bonds is deposited with or made available to the Paying Agent/Registrar in accordance with the Bond Order or (ii) the City of Austin, Texas (the "City") dissolves the District, and assumes the obligations of the District pursuant to existing Texas law and the Consent Agreement between the District and the City.

**THE BONDS** are issued pursuant to the Bond Order, whereunder the District covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date, to pay when due the other contractual obligations of the issuer payable in whole or in part from taxes, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. The Bonds are further payable from the Net Revenues, if any, of the System. Reference is hereby made to the Bond Order for provisions with respect to the operation and maintenance of the District's facilities, the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the registered

owners of the Bonds. By acceptance of this Bond the registered owner hereof consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

**THE OBLIGATION** to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the registered owner of this Bond.

**THE DISTRICT RESERVES THE RIGHT** to issue (i) additional bonds equally secured by a pledge of taxes and Net Revenues or from taxes only; (ii) bonds, notes, and other obligations of inferior liens; and (iii) revenue bonds, payable solely from contracts with other persons, including private corporations, municipalities, and political subdivisions to finance facilities needed in performing any such contracts. Reference is made to the Bond Order for a complete description of the right to issue additional obligations.

**TO THE EXTENT** permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the registered owners of the Bonds may be modified with, in certain circumstances, the consent of the registered owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the registered owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

**THIS BOND** shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Paying Agent/Registrar.

**IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED** that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and by the pledge of Net Revenues, if any, as described above; and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any

provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

**IT IS FURTHER CERTIFIED** that the District has designated the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Internal Revenue Code of 1986.

**IN WITNESS WHEREOF**, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice-President of the Board of Directors of the District and countersigned with the manual or facsimile signature of the Secretary or Assistant Secretary of the Board of Directors of the District, and has caused the official seal of the District to be duly impressed, or placed in facsimile, on this Bond.

In determining the rate of tax to be levied, assessed and collected, the District may take into account the amount of funds on hand in the Interest and Sinking Fund including the amounts therein from the deposit of Net Revenues. The ad valorem taxes and the Net Revenues are hereby irrevocably pledged to the payment of the principal of and interest on the Bonds as same become due.

(b) Pledge of Net Revenues. The District covenants and agrees that the Net Revenues, if any, are hereby pledged for payment of the Bonds. The revenues hereby pledged shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against any parties of any kind having a claim of any kind in tort, contract or otherwise against the District irrespective of whether such parties have notice thereof.

To the extent provided by law, such pledge of Net Revenues and taxes will terminate if the City takes over all properties and assets, assumes all debts, liabilities, and obligations, and performs all functions and services of the District, and the District is abolished pursuant to law and the Consent Agreement.

The laws of the State of Texas permit the District to be consolidated with one or more conservation and reclamation districts. In the event the District is consolidated with another district or districts, the District reserves the right to:

(i) Consolidate the System with a similar system of one or more districts with which the District is consolidating and operate and maintain the systems as one consolidated system (herein for purposes of this section the "Consolidated System").

(ii) Apply the net revenues from the operation of the Consolidated System to the payment of principal, interest, redemption price and bank charges on the revenue bonds or the combination tax and revenue bonds (herein for purposes of this section the "Revenue Bonds") of the District and of the district or districts with which the District is consolidating (herein collectively the "Consolidating Districts") without preference to any series of bonds (except subordinate lien revenue bonds which shall continue to be subordinate to the first lien Revenue Bonds of the Consolidating Districts).

(iii) Pledge the net revenues of the Consolidated System to the payment of principal, interest, redemption price and bank charges on Revenue Bonds which may be issued by the Consolidating Districts on a parity with the outstanding first lien Revenue Bonds of the Consolidating Districts.

(c) Perfection. Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of taxes and revenues granted by the District under Section 7 of this Order, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of taxes and revenues granted by the District under Section 7 of this Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

**Section 7. DEFEASANCE OF BONDS.** (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes or revenues herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Order. Any money so deposited with the Paying Agent/Registrar as provided in this Section may at the discretion of the Board of Directors also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar pursuant to this Section which is not required for the payment of such Bond and premium, if any, and

interest thereon with respect to which such money has been so deposited, shall be turned over to the Board of Directors.

(c) Notwithstanding any provision of any other Section of this Order which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(d) Notwithstanding anything elsewhere in this Order, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the District retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of the Order authorizing its issuance, the District may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

## **Section 8. FUNDS, FLOW OF FUNDS, APPLICATION OF FUNDS AND INVESTMENTS.**

(a) Designation of Funds. The following funds are hereby created or affirmed:

- (i) the Operating Fund;
- (ii) the Interest and Sinking Fund; and
- (iii) the Escrow Fund.

Each fund shall be kept separate and apart from all other funds of the District. The Interest and Sinking Fund shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. All other funds shall be used solely as provided in this Order.

(b) Operating Fund. The Operating Fund shall comprise the fund of the District for operating and maintaining the System and paying general and administrative expenses of the District. The District shall deposit to the credit of the Operating Fund all income or increment which may grow out of the ownership and operation of the System unless derived from contracts with other persons, including private corporations, municipalities, and political subdivisions which, under the terms of the authorizing orders, may be pledged for the requirements of the District's revenue bonds issued particularly to finance the facilities needed in performing any such contracts, and the District may deposit to the credit of the Operating Fund such other income or receipts of the District not otherwise required to be applied by this Order. The Operating Fund shall be used solely to (i) pay all reasonable expenses of the administration, efficient operation, and adequate maintenance of the System, (ii) transfer from time to time any excess to the credit of the Interest and Sinking Fund when needed to pay the obligations of the District payable therefrom, and (iii) to the extent the balance of the Interest and Sinking Fund and tax collections available for deposit thereto are sufficient to pay when due the obligations of the District payable from the Interest and Sinking Fund, to pay any other expense of the District.

(c) Escrow Fund. The proceeds from the sale of the Bonds after paying or making provisions for the payment of the costs in connection with issuing the Bonds, shall be deposited into the Escrow Fund as described in the Escrow Agreement in substantially the form attached hereto as Exhibit "B" with such changes as approved by the Pricing Officer.

(d) Interest and Sinking Fund. The Interest and Sinking Fund shall comprise the interest and sinking fund of the District. The District shall deposit to the credit of the Interest and Sinking Fund (i) accrued interest on the Bonds from their date to the date of their delivery, (ii) collections of District taxes or Net Revenues, if any, to the extent provided in Section 7(a) and 7(b) hereof and (iii) amounts transferred from the Operating Fund to the extent provided in paragraph (b) of this Section 8. The Interest and Sinking Fund, including interest earnings or amounts deposited therein, shall be applied solely to pay the principal or redemption price of and interest on the Bonds when due, and the fees of the Paying Agent/Registrar.

(e) Investment of Funds. The Board may place money in any fund created by this Order in time or demand deposits or invest such moneys as authorized by law at the time of such deposit. The District hereby covenants that the proceeds of the sale of the Bonds will be used as soon as practicable for the purposes for which the Bonds are issued. Obligations purchased as an investment of money in any fund shall be deemed to be a part of such fund. Except as otherwise provided by law or by this Order, amounts received from the investment of any money in any fund created by this Bond Order, except the Interest and Sinking Fund and Escrow Fund which shall be applied as set forth in Section 8(c) and (d) above, may be placed into any fund of the District as determined by the Board.

(f) Security for Funds. All funds created by this Bond Order shall be secured in the manner and to the fullest extent required by law for the security of funds of the District.

**Section 9. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED.**

The President of the Board of Directors of the District is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller. Upon registration of the Bonds said Comptroller (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the District's Bond Counsel and the assigned CUSIP numbers may, at the option of the District, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if a Municipal Bond Insurance Policy is obtained, the Bonds may bear an appropriate legend as provided by the such bond insurer.

**Section 10. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.**

(a) The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the Refunded Bonds or the projects financed or refinanced therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Bonds or the Refunded Bonds or the projects financed or refinanced therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the Refunded Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a current refunding bond, for a period of 90 days and in the case of an advance refunding bond, for a period of 30 days,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are

intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President or Vice President of the Board of Directors to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Disposition of Project. The District covenants that the property constituting the projects financed or refinanced with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Designation as Qualified Tax-Exempt Bonds. The Pricing Officer is authorized to designate the Bonds as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code, if the District qualifies to make such designation at the time of the pricing of the Bonds, conditioned upon the purchaser identified in the Pricing Certificate certifying that the aggregate initial offering price of the Bonds to the public (excluding any accrued interest) is no greater than \$10,000,000 (or such amount permitted by section 265 of the Code). Assuming such condition is met and the Pricing Officer makes such designation in the Pricing Certificate, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than \$10,000,000 (or such amount permitted by section 265 of the Code) of "qualified tax-exempt obligations" being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000 (or such amount permitted by section 265 of the Code); and, (c) that the District will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code. The

Pricing Officer may modify the foregoing representations, covenants and warranties in the Pricing Certificate as necessary and appropriate to comply with applicable provisions of the Code in existence at the time of pricing of the Bonds.

**Section 11. SALE OF BONDS.** The Bonds shall be sold and delivered, pursuant to a bond purchase agreement by and between the District and Underwriter at a price and under the terms set forth in the Pricing Certificate. The bond purchase agreement is hereby approved in substantially the form used for the District's last refunding with such changes as approved by the Pricing Officer.

**Section 12. GENERAL COVENANTS OF THE DISTRICT.** The District covenants and represents that:

(1) It has lawful power to issue the Bonds and to pledge the Net Revenues and has lawfully exercised such power under the Constitution and laws of the State of Texas.

(2) The Bonds shall be ratably secured in such manner that no one Bond shall have preference over other Bonds.

(3) Except for the pledge to the payment of the Bonds and the Outstanding Bonds, the Net Revenues have not been in any manner pledged to the payment of any debt or obligation of the District or of the System.

(4) It has obtained or will obtain and will comply with the terms and conditions of all franchises, permits, and authorizations and will maintain same in full force and effect.

(5) It will proceed to acquire and construct with all due diligence and dispatch so much of the System as shall have been financed with the proceeds of the Bonds.

(6) It will levy an ad valorem tax that will be sufficient to provide funds to pay the interest on the Bonds and to provide the necessary sinking fund, all as described in Section 6 of this Order.

(7) It shall keep accurate records and accounts and employ an independent certified public accountant to audit and report on its financial affairs at the close of each fiscal year. Such audits shall be in accordance with applicable law, rules, and regulations in effect from time to time, including particularly Section 50.371 et seq of the Texas Water Code, as amended, and the Water District Accounting Manual adopted by the Commission. A copy of such audit shall be filed in the office of the District and shall be open to inspection by any interested person during normal office hours. The District shall allow any holder or holders of not less than 25% in principal amount of the bonds then outstanding to inspect the System and all records, accounts, and data of the District relating thereto at all reasonable times and shall furnish a copy of such audit

report to any such holder or holders upon request upon payment to the District of the charge therefor as prescribed by law.

(8) The President, the Vice President, the Secretary, and all other officers of the Board from time to time, or any of them, are hereby authorized and directed to do any and all things required for the construction of the System and are further authorized and directed to make money of the District available for the payment of the Bonds in the manner provided by law and herein.

(9) So long as any of the Bonds or the Additional Bonds remain outstanding, the District covenants that it will at all times maintain the System or within the limits of its authority cause the same to be maintained, in good condition and working order and will operate the same, or cause the same to be operated, in an efficient and economical manner at a reasonable cost and in accordance with sound management principles. In operating and maintaining the System, the District will comply with all contractual provisions and agreements entered into by it and with all valid rules, regulations, directions or orders of any governmental, administrative or judicial body having jurisdiction over the District.

**Section 13. REMEDIES OF REGISTERED OWNERS.** In addition to all rights and remedies of any registered owner of the Bonds provided by the laws of the State of Texas the District and the Board covenant and agree that in the event the District defaults in the payment of the principal of or interest on any of the Bonds when due, fails to make the payments required by this Order to be made into the Interest and Sinking Fund, or defaults in the observance or performance of any of the covenants, conditions, or obligations set forth in this Order, the registered owner of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board and other officers of the District to observe and perform any covenant, obligation, or condition prescribed in this Order. No delay or omission by any registered owner upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to the registered owners of the Bonds as provided herein and shall be cumulative of all other lasting remedies.

**Section 14. ADDITIONAL BONDS, SPECIAL PROJECT BONDS AND REFUNDING BONDS.** (a) Additional Bonds, Inferior Obligations and Refunding Bonds. The District expressly reserves the right to issue in one or more installments or issues, additional bonds heretofore voted but unissued and bonds hereafter voted and payable from a lien on and pledge of taxes and revenues on a parity with and of equal dignity with the pledge for the Bonds; and bonds, notes and other obligations of inferior liens. This District further reserves the right to issue refunding bonds, notes or other obligations in any manner permitted by law to refund any Bonds, Additional Bonds, bonds, notes or other obligations at or prior to their respective dates of maturity or redemption.

(b) Special Project Bonds. The District further reserves the right to issue bonds in one or more installments for the purchase, construction, improvement, extension, replacement, enlargement or repair of water, sewer and/or drainage facilities necessary under contract or contracts with persons, corporations, municipal corporations, political subdivisions, or other entities, such bonds to be payable from and secured by the proceeds of such contract or contracts. The District further reserves the right to refund such bonds.

**Section 15. APPROVAL OF OFFERING DOCUMENTS, PAYING AGENT/REGISTRAR AGREEMENT AND ESCROW AGREEMENT**. The Pricing Officer is hereby authorized to approve the Preliminary Official Statement and the Official Statement relating to the Bonds and any addenda, supplement or amendment thereto, and to deem such document final in accordance with Rule 15c2-12, the Board further approves the distribution of such Official Statement in the reoffering of the Bonds by the Underwriter in final form, with such changes therein or additions thereto as the Pricing Officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof.

The Paying Agent/Registrar Agreement by and between the District and BOKF, NA dba Bank of Texas ("Paying Agent Agreement") in substantially the form previously approved by the District is hereby approved and the Pricing Officer is hereby authorized and directed to complete, amend, modify and execute the Paying Agent Agreement, as necessary.

The Escrow Agreement by and between the District and BOKF, NA dba Bank of Texas as Escrow Agent ("Escrow Agreement") in substantially the form previously approved by the District is hereby approved, and the Pricing Officer is hereby authorized to complete, amend, modify and execute the Escrow Agreement, as necessary.

The President, Vice President, Treasurer, the Secretary or Assistant Secretary are each hereby authorized to take such action as may be necessary to cause the purchase and delivery of the federal securities to be acquired and deposited to the credit of the escrow fund created by the Escrow Agreement.

**Section 16. DAMAGED, MUTILATED, LOST, STOLEN OR DESTROYED BONDS**. (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or

destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B of Texas Government Code, Chapter 1206, this Section of this Order shall constitute authority for the issuance of any such replacement Bond without necessity of further action by the governing body of the District or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 5(a) of this Order for Bonds issued in conversion and exchange for other Bonds.

**Section 17. ORDER A CONTRACT, AMENDMENTS.** The District acknowledges that the covenants and obligations of the District herein contained are a material inducement to the purchase of the Bonds. This Order shall constitute a contract with the holders of the Bonds from time to time, binding on the District and its successors and assigns, and shall not be amended or repealed by the District so long as any Bond remains outstanding except as permitted in this Section. The District may, without the consent of or notice to any holders of Bonds, from time to time and at any time amend this Order in any manner not detrimental to the interests of the holders of the Bonds, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the District may, with the written consent (expressed as provided herein) of the holders of a majority in aggregate principal amount of the Bonds then outstanding affected thereby, amend, add to, or rescind any of the provisions of this Order; provided that, without the consent of the holders of all of the Bonds affected, no such amendment addition, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon,

change the place or places, or the coin or currency in which, any Bond or the interest thereon is payable or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of Bonds required for consent to any such amendment, addition, or rescission. Whenever the District shall desire to make any amendment or addition to or rescission of this Order requiring the consent of holders of the Bonds, the District shall cause notice of the amendment, addition, or rescission to be published at least once a week for two consecutive weeks in a newspaper or financial journal of general circulation in the City of Austin, Texas, the first of each such publications being at least 30 days prior to the date of adoption of such amendment, addition, or rescission. If, because of temporary or permanent suspension of publication or general circulation of such newspapers or journals, it is impossible or impracticable to publish such notice in the manner provided herein, then such publication in lieu thereof as the District shall deem satisfactory shall constitute sufficient publication of such notice. Whenever, at any time within one year after the date of the first publication of such notice, the District shall receive an instrument or instruments in writing executed by the holders of a majority in aggregate principal amount of the Bonds then outstanding affected by any such amendment, addition, or rescission requiring the consent of holders of Bonds, which instrument or instruments shall refer to the proposed amendment, addition, or rescission described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the District may adopt such amendment addition, or rescission in substantially such form, except as herein provided. No holder of Bonds may thereafter object to the adoption of such amendment, addition, or rescission, or to any of the provisions thereof, and such amendment, addition, or rescission shall be fully effective for all purposes.

**Section 18. PARTIES INTEREST HEREIN.** Nothing in this Order, expressed or implied, is intended or shall be construed to confer upon, or to give to, any person or entity, other than the District, the Bond Insurer and the registered owners of the Bonds, any right, remedy or claim under or by reason of this Order or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Order contained by and on behalf of the District shall be for the sole and exclusive benefit of the District and the registered owners of the Bonds.

**Section 19. **Section 20. REFUNDING OF REFUNDED BONDS.** That concurrently with the delivery of the Bonds, the Pricing Officer shall cause to be deposited an amount from the proceeds of the sale of the Bonds with the Escrow Agent sufficient, together with other legally available funds of the District, if any, to provide for the refunding and defeasance of the Refunded Bonds, which are hereby called for redemption on the date determined by the Pricing Officer in the Pricing Certificate. The Pricing Officer is further authorized and directed to apply

and there is hereby appropriated such moneys of the District as are necessary to fund the Escrow Fund to be established by the Escrow Agreement with amounts sufficient to provide for the defeasance of the Refunded Bonds on the date of delivery of the Bonds. The Pricing Officer is hereby authorized and directed to issue to the Escrow Agent the Notices of Redemption with respect to the Refunded Bonds in substantially the form set forth in Exhibit "C" hereto with such changes and additions as necessary to conform to the Pricing Certificate.

**Section 21. AMENDMENTS.** (a) Amendment with Consent of Owners of 51% of Bonds. The owners of 51% in aggregate principal amount of then outstanding Bonds shall have the right from time to time to approve any amendment to this Bond Order which may be deemed necessary or desirable by the District; provided however, that, other than as permitted by subsection (f) of this Section 21, nothing herein contained shall permit or be construed to permit the amendment, without the consent of the owner of each of the outstanding Bonds affected thereby, of the terms and conditions of this Bond Order or the Bonds so as to:

The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.
