

BOARD/COMMISSION RECOMMENDATION

ENVIRONMENTAL BOARD

Recommendation Number: 20130501-005b and 005c

Service Extension Request Landmark Conservancy #3151 and 3152

WHEREAS, the proposed service extension request includes avoiding the harmful effects of a possible septic-field type wastewater treatment system;

WHEREAS, the proposed request includes utilizing City of Austin water supply avoiding the drilling of water wells;

WHEREAS, the proposed request complies with the landscape and tree ordinances, and non-degradation water quality controls.

NOW, THEREFORE, BE IT RESOLVED that the Environmental Board recommend approval of the Water Service Extension Request #3151 Landmark Conservancy and the Wastewater Service Extension Request #3152 Landmark Conservancy.

Date of Approval: May 1, 2013

Record of the vote: [Vote 5-0] Board members Robin Gary and Marisa Perales were absent.
