

MBE/WBE WEATHERIZATION COMMITTEE RECOMMENDATION

The Minority-Owned and Women-Owned (MBE/WBE) & Small Business Procurement Program Weatherization Committee recommends to the Advisory Committee that staff be commended on their efforts and that the Advisory Committee accept the presentation given by Contract Management and Austin Energy staff on April 16, 2013 regarding the Home Energy Assistance Program (HEAP) Tiers I and II which outlined the program's objective and selection process.

In addition on this 16th day of April, 2013 the Weatherization Committee would like to recommend City Council approve the Recommendation for Council Action (RCA) for the HEAP contracts.
