## Additional Backup Information

On February 14, 2013, the City Council approved an ordinance adopting the Amended and Restated Strategic Partnership Agreement (SPA) between the City of Austin and Lost Creek Municipal Utility District (MUD). Exhibit H to the SPA, which was attached to the Council agenda and executed, did not accurately reflect all of the Barton Creek greenbelt lots currently owned by the MUD and that would transfer to the Limited District upon annexation and dissolution of the MUD. This proposed amendment replaces the erroneous Exhibit H with the correct Exhibit H, which correctly reflects all of the Barton Creek greenbelt area that the Limited District will maintain. All other pages of the SPA will remain unchanged.
