

PUBLIC HEARING INFORMATION

Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak **FOR** or **AGAINST** the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or recommend approval or denial of the application. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

A board or commission's decision may be appealed by a person with standing to appeal, or an interested party that is identified as a person who can appeal the decision. The body holding a public hearing on an appeal will determine whether a person has standing to appeal the decision.

An interested party is defined as a person who is the applicant or record owner of the subject property, or who communicates an interest to a board or commission by:

- delivering a written statement to the board or commission before or during the public hearing that generally identifies the issues of concern (*it may be delivered to the contact person listed on a notice*); or
- appearing and speaking for the record at the public hearing; and:
- occupies a primary residence that is within 500 feet of the subject property or proposed development;
- is the record owner of property within 500 feet of the subject property or proposed development; or
- is an officer of an environmental or neighborhood organization that has an interest in or whose declared boundaries are within 500 feet of the subject property or proposed development.

A notice of appeal must be filed with the director of the responsible department no later than 14 days after the decision. An appeal form may be available from the responsible department.

For additional information on the City of Austin's land development process, visit our web site: www.ci.austin.tx.us/development.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments:

Received this notice of demolition permit on April 13, 2013. At least two weeks prior to receiving this notice, demolition on this said residence at 516 East Annie street, 78704, had already begun. All windows and window frames/casements of the structure were removed. The exterior siding, or skin of the house was also totally removed, exposing the studs and interior walls. At this stage it is pointless to object to demolition as the structure is now an eyesore as it now stands. If I and like-minded neighbors did object to demolition at this time, and the Historic Landmark Commission agreed, what is the new owner of the property proposing to do, restore the structure? Yeah, right! As this property directly abuts my property, I will now be monitoring closely, the redevelopment of this site and will insist, along with my surrounding neighbors, that the current zoning and land use requirements be followed with NO variance.

Comments: I OBJECT TO THE COMPLETE DEMOLITION OF THE HOUSE AT 1410 WILLOW. THE ORIGINAL FRONT HOUSE HAS SIGNIFICANT ARCHITECTURAL VALUE, ALONG WITH ITS SHALLOW SETBACK WHICH CONTRIBUTES TO THE PEDESTRIAN SCALE OF THE NEIGHBORHOOD. I AM NOT OPPOSED TO THE SELECTIVE DEMOLITION OF THE LEAN-TO ADDITIONS WHICH ARE NOT IN THE CHARACTER OF THE ORIGINAL HOUSE. BUT IT WOULD BE A SHAME TO LOSE SUCH A CLASSIC EAST AUSTIN HOME, THAT ADDS VALUE TO CHARACTER OF THE AREA.
