Additional Backup Information

On June 27, 2013, the City Council adopted the Downtown Density Bonus Program. Part 5 of the ordinance stated that money from the fees generated in Section 25-2-586 (E) (1) (a) (ii) shall be prioritized for permanent supportive housing for low barrier approaches for the chronic homeless. This amendment requires that all the money generated by the Downtown Density Bonus Program be spent on low barrier approaches for the chronic homeless.
