Additional Backup Information

In November 2010 the voters approved \$250,000 to address near-term traffic management projects on US 183 between U.S. 290 and SH 71 through partnering with the Texas Department of Transportation. This Advance Funding Agreement with TxDOT consists of modifying the lane designations on US 183 at the Colorado River bridge to reduce congestion and improve safety at this location.

The City's participation is currently estimated to be \$112,477 and the State's is estimated to be \$20,358 for a total project cost of \$132,835.
