Sixth Street Lights  
Sixth Street**

**PROPOSAL**

---

Install string lights across Sixth Street from streetlight poles.

**PROJECT SPECIFICATIONS**

---

The applicant proposes the installation of two strings of lights per block in the 100 to 700 blocks of East Sixth Street. Each string will be hung from existing guy wires and will have 25, 2.25-watt clear LED bulbs. The lights would be year-round fixtures.

**STANDARDS FOR REVIEW**

---

There are no applicable design guidelines for this sort of project. The Commission has authorized the installation of Christmas lights and decorations on Sixth Street and Congress Avenue.

**STAFF RECOMMENDATION**

---

Approve the application.
