[Amendment to Regulatory Charge in AE Electric Rate Schedule]
[Add to end of proposed rate schedule]

Rate Case Expense Surcharge

Beginning November 1, 2013, a surcharge to recover the costs to the City of Austin of the appeal to the Public Utility Commission of Texas, Docket 40627 will be added to the regulatory charge billed to customers whose point of delivery is outside the City of Austin. The surcharge will remain in effect through the end of the billing month that the total costs of \$1,557,416 are recovered (expected to be 24 months).
