Additional Backup Information

The recommended action authorizes the City Manager to negotiate and execute the City's annual service agreement with the Austin Housing Finance Corporation (AHFC) allowing the AHFC to use \$9,426,028 in City funds from federal sources and local sources to fund, manage and operate various City housing programs during Fiscal Year 2013-2014, including renter assistance, homebuyer assistance, homeowner assistance and housing developer assistance. See Exhibit A (AHFC Grant Operating Budget) for details. An estimated 1,701 households will be served through these programs. Employees of the City's Neighborhood Housing and Community Development (NHCD) Office manage AHFC's operations through the annual service agreement.

Established in 1979 as a public, non-profit corporation pursuant to Chapter 394 of the Texas Local Government Code, the AHFC administers numerous affordable housing programs for the City using federal and local funds. U.S. Department of Housing and Urban Development (HUD) grant funds provided by the City constitute the majority of AHFC's grant funds.
