Additional Backup Information

The Preserve at Thomas Springs Road annexation area (approximately 13 acres) is located in southwestern Travis County south of Thomas Springs Road, approximately three tenths of a mile west of the intersection of State Highway 71 and Thomas Springs Road. This area is currently in the city's limited purpose jurisdiction and is adjacent to the city's full purpose jurisdiction on the south side and on the north and east sides of the tracts. A final plat for a re-subdivision with 32 large single family lots (C8J-2013-0046.0A) is currently in review. The majority of the subdivision is already in the city's full purpose jurisdiction. Annexation will bring the remainder of the lots into the city limits so as to avoid having the city limit line cross lot lines.
