Additional Backup Information

The City routinely enters into transactions that are exempt from State of Texas competitive procurement law. While exempt from competitive procurement law, these routine transactions can exceed the City Manager's authority when aggregated for an entire fiscal year. The following table identifies the anticipated agency and vendor, and provides both a short description of the expenditure and the estimated amount to be expended for Fiscal Year 2013-2014. It is anticipated that a similar RCA will be brought forward each fiscal year.

In the event that a specific vendor identified below discontinues services or is otherwise not available to provide the required goods and services, the City will attempt to use a similar vendor to fulfill the City's requirements without returning for additional Council action. For example, should one of the providers of appraisal services no longer provide the service, the City will attempt to acquire an alternate provider, subject to the same anticipated expenditure level.
