

Program Overview

A direct service of

What is Skillpoint Alliance?

Mission:

Skillpoint Alliance is a 501(c)3 social enterprise that builds partnerships among industry, education and the community, leading to college and career success for Central Texans, while meeting employers' needs for a qualified workforce.

- Workforce development non-profit founded in 1994
- Build partnerships with industry, education, and the community
- We focus on college and career success, delivering **Science, Technology, Engineering & Math** programs in:
 - *Construction Technologies*
 - *Green Tech*
 - *Computer Technology*
 - *Digital Media*
 - *Health Care*
 - *Manufacturing*

What is Empower?

A 10-week Digital Literacy Program that assists adult learners in gaining the computer skills needed to compete in today's job market, participate in increasingly computer-based civic activities, and pursue learning opportunities.

We focus on:

- Proficiency
- Project-based computer skills training
- Connecting classroom learning to career applications
- Sharing best practices from industry & education
- Assisting participants with professional development services
- Inclusivity of all levels of knowledge and ability

What Sets Empower Apart?

Our instructional and service model differs from other Community Technology and job readiness programs

We Provide:

- Evening and Daytime classes
- English and Spanish classes
- 90% hands-on learning environment
- Low cost training (\$35 for entire program)
- Structured 10-week training from beginner to advanced
- Completion ceremony where certificates are awarded
- Mobile labs to provide services where they are needed most
