Re: NPA Case # NPA-2013-0025.01
 5816 Harper Park Dr
 Owners: Gail and Marcus Whitfield

On July 8th, 2013, the Oak Hill Neighborhood Contact Team held a meeting in accordance with our bylaws to discuss the applicant's proposed future land use amendment for the property located at 5816 Harper Park Blvd. The applicant has requested a change in land use **from Office and Neighborhood Commercial to Mixed Use/Office**. The community meeting was held on July 8th, 2013.

July 8th, 2013, the OHNPCT voted in favor of the proposed change in land use with the following conditions: No more than 76 units with the following uses to be excluded: multifamily residential, duplex residential, two family residential, and vertical mixed use; 75 foot building setback on the Oak Acres (east) side of the property; 50 foot building setback on the Oak Park (west) side of the property; 25 foot native vegetation buffer with no development of any kind and evergreen vegetation filling in sight lines on the east and west sides of the property; plant trees/hedges at the back of the structures as shown in the David Weekly drawing; all exterior lighting on the property to be shielded down, and street lights to be low glare, shielded down, not to exceed 15 feet; the developer will develop and maintain a drainage control system to adequately control water runoff from the property and will maintain communication with the neighborhoods of Oak Park and Oak Acres during the site planning phase. No action or recommendation was made with respect to the proposed zoning change.

Please let me know if you have any questions.
