**C. DISCUSSION AND RECOMMENDATIONS ON APPLICATIONS FOR
CERTIFICATES OF APPROPRIATENESS**

1. LHD-2012-0038 - Hyde Park

4316 Duval Street

Construct a new 2-story garage with an apartment above.

Speakers: Chris Carty, owner

Committee Recommendations: Approve as presented. All comments from previous Certificate of Appropriateness Committee meeting have been incorporated.

**2. LHD-2013-0001 - Hyde Park
4203 Avenue C**

Construct a screened porch and 2-story studio in place of the existing 2-story detached garage.

Speakers: Emily Little and Norma Yancy, Clayton-Little Architects and Cynthia Kittredge, Owner

Committee Recommendations: Recommend approving with the following exemptions from the Design Standards being granted; 1) allow for the location of the addition on the north side because it is partially hidden by a large tree, is differentiated from the original house and doesn't visually compete with the main façade features, 2) allow for painted metal siding to be used on the new rear addition because the addition appears to be an accessory building, the vertical seams of the material are visually similar to historic siding materials used in such buildings, and the structure is minimally visible from the public right-of-way.

**3. No number assigned yet - Old West Austin
1712 W. 29th Street**

Demolish a contributing building and construct a new residence.

Speakers: Ron Van Sickle, designer and Marty McCartt, owner

Committee Recommendations: Recommend allowing demolition if there are no significant historical associations. Recommend reusing the existing stone on the chimney, or a similar stone, for the new chimney, installing operable shutters, and design a low-slope, shed roof over the carport.

**4. C14H-1977-0011 – Sebron Sneed House
1801 Nelms Drive**

Proposal for site development.

Speakers: Tracy Chen, architect

Committee Recommendations: Continue developing plans for stabilization that recognize and articulate the remaining stone walls of the house.

**5. C14H-1992-0002 – Armstrong-Odom House
614 Blanco Street**

Proposal for site development.

Case not presented.
