Additional Backup Information

On June 14, 2012, the City Council adopted the Imagine Austin Comprehensive Plan by Ordinance # 20120614-058. Pursuant to the City Charter, Article X, Section 5, all amendments to the comprehensive plan or element or portion thereof recommended by the planning commission shall be forwarded to the City Manager, who in turn submits them to Council. Amendments are subject to review and adoption in the same manner as for the original adoption of the comprehensive plan.

In the first year following adoption, it is customary that comprehensive plans only be amended to make straight-forward corrections and minor additions. Since there have been no major changes in the community that would require a change in policy, the only amendments submitted as part of this report are simple corrections of typos and formatting including minor additions of attaching the appendices to the ordinance and adding staff names to the acknowledgement page to correct omissions.
