MEMORANDUM

TO: Mayor and Council

FROM: Greg Guernsey, Director
        Planning and Development Review Department

DATE: November 20, 2013

SUBJECT: Amended Request for C14-2013-0006 and C14R-86-077(RCA)
         Harper Park Residential
         Rezoning and Restrictive Covenant Amendment

City staff has received a request from the owner to modify the boundary of the subject tract for the rezoning and associated restrictive covenant amendment applications (please see attached). Specifically, the owner is reducing the subject tract by 50 feet from the western boundary and .75 feet from the eastern boundary; both areas were previously set aside as building setbacks and contained vegetative buffers. Conditions contained within the draft zoning ordinance have been updated to reflect the amended application.

Staff anticipates field notes defining the exact acreage of the amended zoning tract will be provided shortly; in the interim, it appears the new tract will be approximately 14.5 acres compared with the original 17.75 acres. Once field notes have been submitted, staff will reevaluate the status of the petition. The owner is not modifying the boundary for the Neighborhood Plan Amendment (NPA) application.

The NPA and rezoning applications are on the Council agenda for Second Reading only November 21, 2013. Third Reading of these two cases is expected on December 12, 2013, at which time action on the Restrictive Covenant Amendment will also be considered.

Re: Case No. C14-2013-0006  
Case No. C14R-86-007RCA

Dear Mr. Heckman:

With Weekly Homes continuing discussions with interested neighborhoods, we are requesting that the zoning and restrictive covenant boundary for the above referenced cases be amended to exclude the areas that are designated as vegetative buffers and building setbacks. Specifically the zoning and restrictive covenant boundary on the east side of the property will be 75 feet from the eastern property line for the entire length of the property and on the west side 50 feet from the western property line for the entire length of the property. Please amend the zoning application and the restrictive covenant for the above referenced cases to apply to the property as depicted on the attached Exhibits A & B; the field notes will follow.

Thank you for your attention to this matter.

Sincerely,

Gail M. Whitfield, CCIM
