CENTRAL CORRIDOR ADVISORY GROUP (CCAG)

Recommendation FOR 20121212 – ITEM 67

The Mayor's Central Corridor Advisory Group approved the Project Connect Team recommendation December 6, 2013, on a 14-1 vote. The direction from the Central Corridor Advisory Group (CCAG) included a desire to identify future funding for the continued development of Central Corridor high-capacity transit project definitions for the other higher priority sub-corridors, including Lamar, Mueller, and East Austin, in support of the Project Connect regional system plan.

The action taken on December 6, 2013 by the CCAG:

- Endorsed project team recommendation for East Riverside and Highland Sub-Corridors
- Recommended the project team continue critical Central Corridor system level planning and project development, with special consideration of the next tier of sub-corridors, including East Austin, Lamar, and Mueller

Date of Approval: __December 6, 2013__

Record of the vote: 14/1 with Ms. Montgomery voting against.
