## Additional Backup Information

On May 24, 2012, the City Council approved the Strategic Partnership Agreement (SPA) between the City of Austin and Southeast Travis County Municipal Utility District No. 2. Section 3.08 of the SPA included an incorrect date due to a scrivener's error. The proposed amendment to the SPA would substitute the correct date of December 31, 2027 as the date that any land within the District which has not been previously annexed by the City for full purposes may be converted to full purpose annexation status.
