REQUEST FOR PROPOSALS
Urban Renewal Agency of the City of Austin – 1322-1336 E. 12th Street

BACKGROUND:

The City of Austin has partnered with the Urban Renewal Agency of the City of Austin (the “*Seller*”) to implement revitalization efforts along the East 11th and 12th Street corridors. The City of Austin’s Neighborhood Housing and Community Development Office is the lead department handling the day to day planning and implementation of the East 11th and 12th Streets Urban Revitalization Project, and staffs the Urban Renewal Agency. The City’s Office of Real Estate Services conducts all property sales. The City of Austin through its Office of Real Estate Services (the “*Seller’s Representative*”) will conduct and administer the sale.

The Urban Renewal Agency was established by the voters of Austin in 1959 to carry out Urban Renewal project powers in accordance with Chapter 374 (*Urban Renewal in Municipalities*) of the Texas Local Government Code. The Agency’s Board of Commissioners consists of seven members who are appointed by the Mayor with the consent of the City Council. The Agency’s primary purposes are to eliminate slum and blighting influence, encourage redevelopment activities, and oversee the implementation of and compliance with any and all approved Urban Renewal Plans, as amended and adopted by the Austin City Council.

I. Purpose of Request for Proposals and Development Proposals (RFP)

The Urban Renewal Agency of the City of Austin, a Texas public body corporate and politic created under Chapter 374 Texas Local Government Code (the “*Seller*”) is pleased to offer for sale the property located at 1322, 1324, 1326, 1328, 1330, 1332, 1334, and 1336 East 12th Street (henceforth “**1322-1336 E. 12th Street**”), situated in Travis County, Texas, and more particularly described below:

Lots 1, 2, 3, 4, 5, 6, 7, and 8, Block A, Resubdivision of the East 65 feet of Lot 4, and Lots 5 and 6, Block 2, James O’Reilly Subdivision of Outlot 38, Division B, according to the map or plat thereof, recorded in Volume 102, Page 88, Plat Records, Travis County, Texas (the “*Property*”).

The Property is located within the East 11th and 12th Streets Urban Renewal Area as shown in the map provided as **Exhibit A** to this RFP.

The Seller is seeking a developer or development team (the “*Successful Proposer*”) with demonstrated experience and strong financial resources to purchase the Property and develop it within the controls established in the approved Urban Renewal Plan (URP). (A link to the URP is posted on the Seller’s Representative’s

website at: www.austintexas.gov/realestate.) A successful proposal to develop the Property shall be a creative project that achieves the Project Goals set forth in Section II of this RFP.

II. Project Goals

The Schedule of Criteria for Review and Scoring of Proposals (the “*Criteria*”) is included with this RFP as **Schedule 2**. The Criteria identifies and outlines the elements of any proposal submission that are mandatory, versus those that are value added (i.e. voluntary). Mandatory elements that are not addressed or inadequately addressed in the RFP may be deemed non-responsive and lead to disqualification of the proposal, at the sole discretion of the Seller.

The Successful Proposer, in addition to purchasing the Property, must propose a creative, high-quality project that:

- A. Produces a successful development that contributes to the revitalization of the East 11th and 12th Street corridors and surrounding area.
- B. Redevelops the subject Property to produce significant short-term and long-term public benefit, giving consideration to community needs in the surrounding East 11th and 12th Streets Revitalization Project area. Possible considerations regarding development in this area are provided in the *East 11th & 12th Street Development Strategy Technical Report* produced by Economic & Planning Systems, Inc., available at the Seller’s Representative’s website: www.austintexas.gov/realestate.
- C. Develops the property, as specified in the successful proposal, within three (3) years of the date of execution of the Special Warranty Deed. The Seller requires that the Successful Proposer obtain a Certificate of Occupancy for the proposed project within that three-year time frame, and obtain the Building Permit for construction of the project within two (2) years of the transfer of the Property. The Seller also requires that the Successful Proposer submit a performance guaranty (the “*Guaranty*”) at closing of the sale of the property to ensure that this timeline is met. The form and the dollar amount of the Guaranty provided by the Successful Proposer shall be specified in advance within the proposal submitted in response to this RFP, as described herein in **Section VIII, RFP Submission Format**.
- D. *Grocery Store*. The Successful Proposer is encouraged to include a mid-sized grocery store (10,000-25,000 square feet) as part of the development of this property, due to a perceived community need as indicated by area stakeholders and as discussed in greater detail in the *East 11th & 12th Street*

Development Strategy Technical Report (available at the Seller's Representative's website: www.austintexas.gov/realestate).

- E. *Green Building Goals.* The Successful Proposer is encouraged to meet a minimum Austin Energy 2 Star Green Building rating or USGBC LEED Silver rating. Ambitious green building goals are encouraged. For more information, please refer to links and information posted at the Seller's Representative's website: www.austintexas.gov/realestate.
- F. *Minority/Women-owned Business Enterprise (M/WBE).* The Successful Proposer is encouraged to meet M/WBE participation goals or demonstrate a good faith effort to meet those goals in the design and construction of improvements on the Property, in accordance with City Council Resolution No. 20120112-058. For more information, please refer to links and information posted at the Seller's Representative's website: www.austintexas.gov/realestate.
- G. *Affordable Housing.* The Successful Proposer is encouraged to meet affordable housing goals. To meet these goals, at least 10% of rental units must be affordable and reserved for households earning 60% or below the Median Family Income (MFI) for the Austin-Round Rock Metropolitan Statistical Area (MSA); or at least 10% of ownership units must be affordable and reserved for households earning 80% or below MFI for the MSA. If the project includes affordable housing, the successful proposer must commit to execute a 40-year Affordable Housing Restrictive Covenant (example attached to this RFP as **Exhibit B**).

13. **Local Government Code – Chapter 374**

This property is being sold in compliance with the provisions set forth under Texas Local Government Code, Chapter 374, which can be accessed through the link below:

<http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.374.htm>

Seller chooses to highlight **374.017 (Disposition)**, **374.908 (Conflict of Interest)** and **374.901 (Public Housing)**, as excerpted below (a-c). However, it should be noted that the Property is being sold in compliance with **all provisions** set forth under Chapter 374.

(a) Disposition:

Sec. 374.017. DISPOSITION OF PROPERTY. (a) Subject to the covenants, conditions, and restrictions, including covenants running with the land, that the municipality considers to be in the public interest or necessary to implement this chapter and that are written into the instrument transferring or conveying title, and after the governing body of the municipality approves the urban renewal plan, the municipality may:

(1) sell, lease, or otherwise transfer real property or an interest in real property in an urban renewal area for residential, recreational, commercial,

industrial, or other uses, including a public use, and enter contracts relating to the transfer; or

(2) retain the property or interest for public use in accordance with the urban renewal plan.

(b) The original owner from whom property was acquired under this chapter by condemnation or through threat of condemnation has the first right to repurchase the property at the price at which it is offered.

(c) The purchaser or lessee of property transferred under this section, and a successor in interest to such a person, including an assignee, must devote the property to the uses specified in the urban renewal plan and may be obligated to comply with conditions specified in the deed of conveyance, including the requirement to begin any improvements required by the urban renewal plan within a reasonable time.

(d) Real property or an interest in real property subject to this section may only be sold, leased, or otherwise transferred or retained at not less than the fair value of the property for uses in accordance with the urban renewal plan. In determining the fair value, the municipality shall consider:

(1) the uses provided in the urban renewal plan;

(2) any restrictions on and any covenants, conditions, and obligations assumed by the purchaser, lessee, or municipality in retaining the property;

(3) the objectives of the plan for the prevention of the recurrence of slums or blighted areas; and

(4) any other matters that the municipality specifies as appropriate.

(e) The municipality or urban renewal agency may provide in an instrument of conveyance to a private purchaser or lessee that the purchaser or lessee may sell any or all of the unimproved property without profit to the seller. After improving a parcel of real property in accordance with the development plan adopted for the area, the purchaser may sell the parcel before completion of the development of the area or tract purchased, but the sale does not relieve that purchaser from the obligation of completing the development of that area or tract. The purchaser may sell a parcel of land purchased for redevelopment to another person who is obligated to improve the parcel as provided by the development plan for that project if the resale is without profit to the seller and if any subsequent purchaser is

required to improve the property as provided by the urban renewal plan and by the conditions contained in the deed of conveyance.

(f) A municipality shall sell real property acquired by the municipality that is to be sold to private developers in accordance with the urban renewal plan as rapidly as is feasible in the public interest and consistent with the goals of the urban renewal plan. An instrument executed by a municipality or by an urban renewal agency that purports to convey any right, title, or interest in any property under this chapter is presumed to be executed in compliance with this chapter with respect to the title or interest of any bona fide lessee, transferee, or purchaser of the property.

(g) A municipality that sells real property in an urban renewal area to a private person must conduct the sale through competitive sealed proposers after advertising the offer in the official publication or a newspaper of general circulation. The advertisement must be published once before the 15th day before the date of the sale and must invite proposers for the purchase of real property in the urban renewal area either in whole or in parcels as determined by the municipality. Before advertising for proposers, the municipality shall adopt as part of the specifications in the general plan of improvement any conditions binding on the purchaser or the purchaser's successors in title, including heirs and assignees. The municipality or urban renewal agency may accept the highest and best responsible proposer. The purchase price must be paid in cash. If the municipality or agency determines that the proposers received are not satisfactory, it may reject all the proposers and readvertise the offer. The urban renewal agency may not sell the property until the price and conditions of sale are approved by the governing body of the municipality. The municipality shall sell any real property acquired in connection with an urban renewal and rehabilitation project within a reasonable time for the purposes applicable to each project, except for the property retained by the municipality for public use. Property to be resold shall be sold within a reasonable time, taking into account the general economic situation at the time of sale.

(h) The municipality may temporarily lease any real property acquired in an urban renewal area, except property that is not fit for human habitation or that is declared substandard by any governmental agency. The lease must provide for a right of cancellation that permits the municipality to sell or dispose of the property for the purposes of this chapter.

(i) The former owner of any real property that is acquired under this chapter and that is not dedicated within a reasonable time to the purposes applicable to the urban renewal project for which it was acquired is entitled, after notice, to repurchase the property at the price for which it was acquired, less any actual damages sustained by the former owner because of the taking of the property, unless the property is devoted to the urban renewal purposes within 60 days after the date the former owner gives the record owner and the municipality written notice of the intention to exercise the right of repurchase. After a repurchase, any buildings placed on or allowed to remain on the property must conform to the pattern and intent of the urban renewal project if the project is completed.

(j) Any purchaser or lessee who is a private developer of any part of the real property acquired under this chapter may use that property as security to finance the development of the property. The purchaser or lessee may execute and deliver to a lender notes, deeds of trust with powers of sale, mortgages, and other instruments required in connection with obtaining and securing the repayment of the loan. The purchaser or lessee has all the rights, titles, and incidents of ownership available to a purchaser or lessee of land generally, and the person is entitled to mortgage and encumber the property for either the purchase price or for improvements in accordance with the objectives of this chapter. Any subsequent owner or lessee who acquires title through foreclosure of a lien given to secure the indebtedness or through a conveyance or assignment in satisfaction of debt takes title subject only to the restrictive covenants related to the use and improvement of the land that are contained in the original conveyance from the municipality. The owner's or lessee's interest is not subject to any condition precedent or condition subsequent that would result in reverter or forfeiture of title or to any restraint as to the amount for which the property may be resold or leased.

(k) Notwithstanding any other provision of this chapter or of any other law relating to competitive proposer requirements, a municipality or urban renewal agency may sell urban renewal land for uses in accordance with an urban renewal plan to a public or private nonprofit corporation or foundation. The sale must be for at least the fair market value of the land as determined by the municipality or urban renewal agency.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

(b) Public Housing:

Sec. 374.901. USE OF ACQUIRED PROPERTY FOR PUBLIC HOUSING. (a) Except as provided by Subsection (b), real property acquired under this chapter may not be sold, leased, granted, conveyed, or otherwise made available for public housing.

(b) Real property acquired under this chapter may be made available for public housing if the municipality holds an election at which a majority of the qualified voters voting in the election approve that use of the property. The municipality shall conduct the election in the manner provided for an election under Section 374.011. The ballot shall be printed to provide for voting for or against the proposition: "Permitting the use of land acquired by urban renewal for public housing."

(c) If the qualified voters of a municipality have approved the use of land acquired under this chapter for public housing, the municipality may order an election on prohibiting the use of that land for public housing. The municipality shall conduct the election in the manner provided by Subsection (b), except that the ballot shall be printed to provide for voting for or against the proposition: "Prohibiting the use of land acquired by urban renewal for public housing." If a majority of the voters voting in the election favor prohibiting the use of the land for public housing, the prohibition contained in Subsection (a) applies. An election that results in the prohibition of the use of land for public housing does not affect land that has been made available for public housing at the time of the election.

(d) If a municipality holds an election under this section, the municipality may not hold another election under this section for one year.

(c) Conflict of Interest:

Sec. 374.908. CONFLICT OF INTEREST. (a) A public official or employee of a municipality, including an official or employee of an urban renewal agency that exercises urban renewal project powers for a municipality under Subchapter C or of any other municipal board or commission, may not voluntarily acquire any direct or indirect interest in an urban renewal project, in any property included or planned to be included in an urban renewal project or plan, or in any contract, or contract proposed, in connection with an urban renewal project.

(b) If the acquisition is not voluntary, the official or employee shall immediately disclose the acquisition of the interest in writing to the governing body of the municipality. The governing body shall enter the disclosure on its minutes. Not later than three months after the date on which the involuntary acquisition occurs, the official or employee shall either resign the position with the municipality or divest the interest.

(c) If the official or employee owns or controls any direct or indirect interest in property that the person knows is included or planned to be included in an urban renewal project, or if the official or employee owned or controlled any such interest at any time during the two-year period preceding the inclusion or planned inclusion of the property in an urban renewal project, the official or employee shall immediately disclose that fact in writing to the governing body of the municipality. The governing body shall enter the disclosure on its minutes. The official or employee may not participate in any action by the municipality or by the urban renewal agency that affects the property.

(d) Any required disclosure made under this section to the governing body of the municipality must also be made at the same time to the urban renewal agency that exercises urban renewal project powers under Section 374.021. A commissioner or other officer of an urban renewal agency or other board who exercises powers under this chapter may not hold any other public office with the municipality.

(e) A violation of this section is official misconduct.

Acts 1987, 70th Leg., ch. 149, Sec. 1, eff. Sept. 1, 1987.

14. NO REPRESENTATIONS OR WARRANTIES:

V. Requirements of the Project Proposal

- A. **Terms of Sale.** Please note that the following “*Terms of Sale*” are intended to be an outline only and are not a full and complete listing of all terms and conditions of the sale. Terms and conditions shall be set out in the Final Purchase and Sale Agreement (the “*Agreement*”) with all attachments, substantially in the form acceptable to the Seller attached hereto as **Schedule 5**. All Proposers must execute and include the Purchase and Sale Agreement form in the proposals submitted for evaluation to Seller. Seller shall execute the Agreement within thirty (30) days of award of the sale to the Successful Proposer by Austin City Council. The Property will be conveyed at closing by Special Warranty Deed (the “*Deed*”) substantially in the form attached to the Agreement. Please be advised that the Seller reserves the right to make non-substantive revisions to the Purchase and Sale Agreement to negotiate and modify time periods and other terms and conditions of the Agreement with the Successful Proposer following selection of the winning proposal.
1. The minimum purchase price for the Property must be \$878,000.00. This minimum purchase price was determined through an independent appraisal of the property, as the fair market value, as a fee simple interest. Any proposals submitted that contain a purchase price below the minimum set forth above will be automatically rejected. The full proposed purchase price, minus Proposal Security and Earnest Money received, will be paid in cash to the Seller at the time of closing.
 2. At the time of proposal submission in response to this Request For Proposals (RFP), the Proposer must deliver to the Seller’s Representative a cashier’s check in an amount of \$10,000 (the “*Proposal Security*”). **The Proposal Security will be made payable to Independence Title Company** (the “*Title Company*”), will be held by the Title Company on behalf of Seller, and will not be deposited into an interest-bearing account. The Proposal Security will secure the Proposer’s obligations to provide financial and other information requested by the Seller, and to provide the deposit of earnest money

(the "**Earnest Money**", discussed immediately below in subsection A(4)) should the Proposer and Seller enter into a Final Purchase and Sale Agreement. This \$10,000 Proposal Security, if not forfeited by the Successful Proposer, shall be applied along with the Earnest Money to the purchase price at closing. **If the transaction is not consummated due to Successful Proposer default, the Urban Renewal Agency of the City of Austin will retain the Proposal Security.**

3. **All received submissions must include, as part of the Project Development Plan, a proposed form and amount of Performance Guaranty to be offered to Seller in the event of a successful proposal.** This offer of Guaranty will evidence the Proposer's commitment to complete the development project within three (3) years, and will be considered by Seller as part of the review of Proposer's overall proposal. Examples of a form of Guaranty may include a Letter of Credit or a Performance Bond issued by a bank or financial institution for some certain dollar amount, or an Escrow Agreement with the City of Austin (example form provided as **Exhibit C**). The binding Guaranty must be submitted by the Successful Proposer at closing of the sale of the Property.
4. Within two (2) business days after execution of an Agreement between the Successful Proposer and Seller, the Successful Proposer shall deposit with the Title Company the amount of \$10,000.00 in good funds (the "**Deposit**"). This Deposit does not replace the Proposal Security as a requirement for a responsive proposal, and it does not replace the Guaranty as a requirement to execute the Final Purchase and Sale Agreement. If delivered, the Title Company must place the Deposit into an interest-bearing account having no penalty for early withdrawal. The Deposit and any interest thereon shall constitute earnest money (the "**Earnest Money**") towards the closing of the sale, and will be credited against the purchase price at closing. If the Successful Proposer fails to deliver the Deposit in good funds within the designated two-day period, the award of sale shall be considered not to have been completed, and Seller may retain the Successful Proposer's Proposal Security and pursue any right or remedy available, including award of the sale to another Proposer. If the transaction is not consummated, the earnest money will be held and delivered by the Title Company accordingly.
5. Seller reserves the right to require evidence satisfactory to Seller of any Proposer's financial ability to purchase the Property for the amount in Proposer's proposal and to carry out any obligations to

develop the property within three (3) years of execution of the Special Warranty Deed. Any Proposer who fails to promptly supply the requested documentation to Seller of the Proposer's financial capacity and other ability to perform may be determined unresponsive.

6. Any proposal presented to Seller must be based on the Proposer's own inspection and investigation of the Property and not on any statements made by Seller, or any selling agent. Seller makes no representation or warranties whatsoever with respect to the Property or the information set forth herein.
7. All proposals made will be held confidential during the period between submitting the proposal and award of a sale to a Successful Proposer by the City Council, at which point all proposals will become open records subject to the Public Information Act. If there is any information required to be submitted in the proposal that you deem to be proprietary, it must be submitted in a separate sealed envelope. If the entire proposal is identified as confidential, that will be deemed overly broad and ineffective by the Attorney General's office. If any provision is noted as proprietary the Seller will tender the request and the proposal to the Attorney General for resolution. The Seller's Representative will notify you of the request and you must defend the exception to the Attorney General. All responses under the Public Information Act are due within 10 business days after receipt of the request by the governmental body.

The Attorney General has a hotline to answer questions about proper procedures for using and complying with the Public Information Act: 877-673-6839. A copy of the law and a handbook explaining it are available at the following website: www.oag.state.tx.us. The Public Information Act is codified as Chapter 552 of the Texas Government Code.

8. Seller reserves the right to reject any and all proposals in its sole discretion for any or no reason whatsoever. Seller reserves the right to discontinue the RFP process or to withdraw the Property from the market at any time prior to execution of the Agreement by Seller. In such event, Seller will notify the Proposers of such discontinuation. Seller reserves the right, after discontinuance of the RFP process, to sell the Property to any party and on any terms acceptable to Seller.

- B. **Construction Requirements.** The Successful Proposer in good faith and with due diligence must complete the proposed construction within three (3) years from the date Special Warranty Deed is executed, and shall use

reasonable efforts to meet construction requirements, more particularly described below. The Seller will extend deadline requirements only for force majeure or other extremely unique circumstances and at its sole discretion.

1. **Required Commencement.** The Successful Proposer must obtain the building permit for construction within twenty-four (24) months after the closing date and transfer of the Property. If the Successful Proposer does not obtain the building permit for the approved preliminary redevelopment plans within that time period, then the Seller may exercise the remedy the Successful Proposer set forth in the proposal.
2. **Required Completion.** The Successful Proposer must design, complete and surrender the preliminary redevelopment plans and obtain a Certificate of Occupancy for the entire Project within three (3) years or thirty-six (36) months after the closing and transfer of the Property. If the Successful Proposer fails to meet this deadline, then the Seller will be entitled to the full amount of the Guaranty.
