MBE / WBE:	This contract was awarded in compliance with City Code Chapter 2-9D (Minority-Owned and Women-Owned Business Enterprise Procurement Program). No subcontracting opportunities were identified; therefore, no goals were established for this solicitation.
------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## Additional Backup Information

On May 26, 2011 a 29-month requirements supply contract was executed with Game Time/Total Recreation Products, Inc. and Soil Express for the supply of engineered wood fiber to be used as safety surface material for playscape areas at City of Austin parks. The material is required to meet Health and Safety Code 756.061 requirements. The contract was executed through a Buyboard contract that originally was set to expire on 11/13/13. However, the contract was renewed and now expires on 10/30/2016. This amendment will give the Parks and Recreation Department a source for this material through the end of the renewed contract and funding for the duration.

**CONTRACT SUMMARY**

Action	Description	Amount
