Additional Backup Information					
<p>In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Williamson County prior to annexation of this area by the City of Austin implemented a speed limit of 20 miles per hour, during certain times, on Pecan Creek Parkway, Salt Mill Hollow, and Millwright Parkway, for students attending Anderson Mill Elementary School. After a traffic engineering study reviewing Williamson County's findings, the Austin Transportation Department recommends adopting the previous recommendation by Williamson County to reflect the existing field conditions by adding the following amendment to City Code Section 12-4-64(D) (Table of Speed Limits):</p> <p>Add: Pecan Creek Parkway from 45 feet north of Hard Rock Road to 233 feet south of Lake Creek Parkway. (20 MPH School Zone)</p> <p>Add: Salt Mill Hollow from 119 feet east of Pecan Creek Parkway to 510 feet west of Millwright Parkway. (20 MPH School Zone)</p> <p>Add: Millwright Parkway from 113 feet north of Timbercrest Lane to 26 feet north of Wendts Way. (20 MPH School Zone)</p>
