Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. An investigation of Boulder Lane was conducted by the Traffic Engineering Division of the Austin Transportation Department in accordance with the procedures specified in the [Texas Procedures for Establishing Speed Zones, 2006](#). The Traffic Engineering Division recommends adding the following amendment to City Code Section 12-4-64 (D) Table of Speed Limits:

Add: Boulder Lane from RM 620 (North Entrance) to RM 620 (South Entrance). (35 MPH)
