Hi Liz,

Your house is the finest kept on the street, and you should be able to build with a city permit once granted.

Or so I thought. think? so i think. You are welcome to present this as my opinion anywhere that it might come in useful. and put my X of agreement on the letter of support.

if anyone has any questions, i'm reachable at 510.339.3533

(working in SF for awhile, coming back this summer).

Best,
David

Hi neighbor,

I was wondering if you could let me know who takes care of your grounds?

My house is across the street, 4307 Avenue G, and I definetly need to hire someone to improve curb appeal.

I wouldn't even know where to begin looking, except by asking the only house on the street that seems to be doing a great job of it!

Thanks,
David
