BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. FINDINGS:

(A) Pursuant to Ordinance No. 20050804-039, as amended by Ordinance No. 20110526-068 and Ordinance No. 20120412-016 (Authorizing Ordinance), the City of Austin (City) previously issued and has outstanding its Airport System Refunding Revenue Bonds, Series 2005, issued in four subseries designated "Subseries 2005-1", "Subseries 2005-2", "Subseries 2005-3" and "Subseries 2005-4" (Bonds). The scheduled payment of the principal of and interest on the Bonds is insured by a municipal bond insurance policy (Bond Insurance Policy) issued by Assured Guaranty Municipal Corporation, formerly known as Financial Security Assurance, Inc. (Assured Guaranty).

(B) The Authorizing Ordinance contains some capitalized terms that are used in this ordinance. Those terms have the same meaning in this ordinance as they do in the Authorizing Ordinance.

(C) The City previously entered into a (1) First Amendment to Letter of Credit and Reimbursement Agreement, dated as of May 1, 2012 (JPM Reimbursement Agreement), between the City and JPMorgan Chase Bank, National Association (JPM), pursuant to which a direct-pay letter of credit was issued by JPM for the Subseries 2005-1 Bonds (JPM LOC-1) and a direct-pay letter of credit was issued by JPM for the Subseries 2005-2 Bonds (JPM LOC-2), (2) Letter of Credit and Reimbursement Agreement, dated as of May 1, 2012 (State Street Reimbursement Agreement), between the City and State Street Bank and Trust Company (State Street), pursuant to which a direct-pay letter of credit was issued by State Street for the Subseries 2005-3 Bonds (State Street LOC) and (3) First Amendment to Letter of Credit and Reimbursement Agreement, dated as of May 1, 2012 (Royal Bank Reimbursement Agreement), between the City and Royal Bank of Canada, acting through its WFC, New York Branch (Royal Bank), pursuant to which a direct-pay letter of credit was issued by Royal Bank for the Subseries 2005-4 Bonds (Royal Bank LOC).

(D) Council finds that it is desirable to replace the JPM LOC-1, the JPM LOC-2, the State Street LOC and the Royal Bank LOC with direct-pay letters of credit in

accordance with the terms of the Authorizing Ordinance to be issued by Sumitomo Mitsui Banking Corporation, acting through its New York Branch (SMBC), for each of the Subseries 2005-1 Bonds, the Subseries 2005-2 Bonds, the Subseries 2005-3 Bonds and the Subseries 2005-4 Bonds (each, an SMBC LOC, and collectively, the SMBC LOCs).

(E) Council finds that the SMBC Reimbursement Agreement constitutes a Credit Agreement, and that each SMBC LOC constitutes a Direct-Pay Credit Facility and a Liquidity Facility, for purposes of the Authorizing Ordinance.

(F) In connection with the delivery of the SMBC LOCs, council finds it necessary to authorize the execution and delivery of a (1) Letter of Credit and Reimbursement Agreement, dated June 1, 2014 (SMBC Reimbursement Agreement), between the City and SMBC and (2) Bank Fee Agreement, dated June 1, 2014 (Fee Agreement) between the City and SMBC.

(G) In connection with the delivery of the SMBC LOCs, council finds it necessary to authorize the execution and delivery of a Second Amended and Restated Insurance Policy Cancellation Agreement, dated June 1, 2014 (Second Amended and Restated Cancellation Agreement), by and among the City, Wells Fargo Bank, N.A., as paying agent/registrar (Paying Agent/Registrar) and as tender agent (Tender Agent), SMBC, and Assured Guaranty, relating to the Bond Insurance Policy and the Debt Service Reserve Fund Surety Policy.

(H) In connection with the delivery of the SMBC LOCs, council finds it necessary to authorize the execution and delivery of a Second Amended and Restated Agreement Regarding Insured Swap Transaction, dated June 1, 2014 (Second Amended Swap Agreement), between the City and Assured Guaranty, relating to the Series 2005 Swap Agreement.

(I) In connection with the delivery of the SMBC LOCs, council finds it necessary to authorize the execution and delivery of a Third Amended and Restated Tender Agency Agreement, dated June 1, 2014, between the City and the Tender Agent (Third Amended Tender Agency Agreement).

(J) The Authorizing Ordinance requires the mandatory tender of the Subseries 2005-1 Bonds, the Subseries 2005-2 Bonds, the Subseries 2005-3 Bonds and the Subseries 2005-4 Bonds upon replacement of the JPM LOC-1, the JPM LOC-2, the State Street LOC, and the Royal Bank LOC, respectively.

(K) In connection with the mandatory tender of the Bonds, council finds it necessary to approve and authorize the use of a Secondary Market Information Circular for the remarketing of the Bonds.

(L) The City is authorized to (1) cause the delivery of the SMBC LOCs and (2) execute and deliver the SMBC Reimbursement Agreement and the Fee Agreement, all pursuant to Chapter 1371, Texas Government Code.

(a) If on or after the date hereof, the adoption of any law, rule or regulation, or any change therein, or in the interpretation or administration thereof by any court, governmental authority, central bank or comparable agency charged with the interpretation or administration thereof (each a "*Change in Law*"), or compliance by the Bank or any of its affiliates or subsidiaries with any request or directive made on or after the date hereof (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) shall subject the Bank or any of its affiliates or subsidiaries to any tax, duty or other charge with respect to this Agreement, the Bank Fee Agreement, or the Letters of Credit or any Bank Bonds purchased by the Bank or such affiliate or subsidiary hereunder, or shall change the basis of taxation of payments to the Bank or any of its affiliates or subsidiaries of any amounts due under this Agreement, the Bank Fee Agreement, or its Letters of Credit or any Liquidity Advances made by the Bank or any of its affiliates or subsidiaries hereunder (except for changes in the rate of (A) tax on the overall net income of the Bank or such affiliate or subsidiary or (B) franchise taxes or other charges imposed in lieu of such taxes); or

Upon the earlier of (A) the date the related Liquidity Advance is repaid in full and (B) the date all related Reimbursement Obligations are payable hereunder following the termination of the applicable Letter of Credit, in

(ii) The City agrees that any Substitute Credit Facility will require, as a condition to the effectiveness of the Substitute Credit Facility, that the issuer of the Substitute Credit Facility will provide funds to the extent necessary, in addition to other funds available, on the date the Substitute Credit Facility becomes effective, for the purchase of all Bank Bonds at par plus all accrued interest thereon through the date such Substitute Credit Facility becomes effective. On such date, any and all amounts due hereunder to the Bank shall be payable in full to the Bank.

Section 6.3. Remedies. If an Event of Default shall have occurred, the Bank may exercise any one or more of the following rights and remedies in addition to any other remedies herein or by law provided:

(a) give written notice of the occurrence of any Event of Default hereunder to the Paying Agent, with a copy to the City and the Tender Agent, direct the Paying Agent to cause a mandatory tender of all the Bonds pursuant to Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice, and the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement, in which case the City and the Bank shall take such action as shall be necessary to effect such termination pursuant to the Cancellation Agreement; *provided, however*, that if an Insurer Event of Default has also occurred and is continuing, the Bank may direct the City and the Paying Agent that the Insurance Policy shall not be terminated;

If the Bank has directed the Paying Agent to cause a mandatory tender of all of the Bonds pursuant to Section 6.3(a) or Section 6.4(a) hereof, the Bank shall, and hereby covenants with the Insurer that it will (unless, with respect to Section 6.3(a) hereof, an Insurer Event of Default has occurred and the Bank has directed the City and the Paying Agent that the Insurance Policy shall not be terminated) satisfy at the earliest time practicable all applicable conditions to the effectiveness of termination of the Insurance Policy pursuant to the Cancellation Agreement and direct the Paying Agent not to draw on the Insurance Policy during the period between the Bank directing the Paying Agent to cause a mandatory tender of all of the Bonds and the effectiveness of termination of the Insurance Policy. Notwithstanding anything to the contrary herein, the Insurer's right to enforce the Bank's covenants set forth in this paragraph shall survive any termination of other rights of the Insurer.

Section 6.4. Mandatory Tender Events. (a) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement. The City and the Bank shall take such action as may be necessary or required to effect such termination pursuant to the Cancellation Agreement. So long as no Event of Default shall have occurred and be continuing, upon the termination of the Insurance Policy the City shall cause the Remarketing Agent to use its best efforts to remarket all tendered Bonds at the earliest date possible pursuant to the terms of the Ordinance; *provided that*, if after the Bonds have been called for mandatory tender by the

Paying Agent but prior to the remarketing of such Bonds an Event of Default shall have occurred and be continuing, the Bonds shall only be remarketed with the written consent of the Bank and the Bank may at its sole discretion pursue any of its rights or remedies pursuant to this Agreement.

(c) If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred and be continuing and, in either case, an Event of Default shall also have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, as applicable, and such Event of Default, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

ARTICLE 7

MISCELLANEOUS

Section 7.1. Cancellation Agreement. If the Bank in its sole and absolute discretion shall pay any amounts owed to the Insurer in connection with the cancellation of the Insurance Policy pursuant to the terms of the Cancellation Agreement, the City shall reimburse the Bank for such payments to the Insurer within five (5) Business Days after the City's receipt of written notice from the Bank as to such amount due to the Bank and amounts not paid when due shall accrue interest at the Default Rate. Any payments to the Insurer made by the Bank that are in respect of principal of or interest on the Bonds shall be deemed to be Reimbursement Obligations hereunder.

Section 7.2. Reimbursement. To the extent permitted by the law of the State, the City agrees to reimburse and hold the Bank and its officers, directors and employees (each a "Reimbursed Party") harmless from and against, and to pay on demand, any and all claims, damages, losses, liabilities, costs and expenses whatsoever which such Reimbursed Party may incur or suffer by reason of or in connection with the execution and delivery of this Agreement, the Bank Fee Agreement or the Letters of Credit, or any other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement or the Letters of Credit or in connection with the remarketing of the Bonds, or in connection with any payment under the Letters of Credit, including, but not limited to, the fees and expenses of counsel for such Reimbursed Party with respect thereto and with respect to advising such Reimbursed Party as to its rights and responsibilities under this Agreement, the Bank Fee Agreement and the Letters of Credit and all fees and expenses, if any, in connection with the enforcement or defense of the rights of such Reimbursed Party in connection with this Agreement, the Bank Fee Agreement, the Letters of Credit or any of the other Financing Documents, or the collection of any monies

due under this Agreement, the Bank Fee Agreement or such other documents which may be delivered in connection with this Agreement, the Bank Fee Agreement, the Letters of Credit or any of the other Financing Documents, except to the extent that any such claim, damage, loss, liability, cost or expense shall be found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted directly from or caused by such Reimbursed Party's negligence or willful misconduct in connection with the Letters of Credit. Promptly after receipt by any Reimbursed Party of notice of the commencement, or threatened commencement, of any action subject to the reimbursement obligation contained in this Section 7.2, such Reimbursed Party shall promptly notify the City thereof, *provided* that failure to give such notice shall not relieve the City from any liability to such Reimbursed Party hereunder. The obligations of the City under this Section 7.2 shall survive payment of all Obligations owed under this Agreement and the expiration of the Letters of Credit. Net Revenues shall constitute the sole source of funds available to the City for the payments, if any, owing to a Reimbursed Party.

Section 7.3. Liability of the Bank. The City assumes all risks of the acts or omissions of the Tender Agent and the Paying Agent, or any agents thereof, and any transferee beneficiary of any Letter of Credit with respect to its use of any Letter of Credit. Neither the Bank nor any of its officers or directors shall be liable or responsible for: (a) the use which may be made of any Letter of Credit or for any acts or omissions of the Tender Agent or the Paying Agent, any agent thereof or any transferee beneficiary in connection therewith; (b) the validity or genuineness of documents, or of any endorsement(s) thereon, even if such documents should in fact prove to be in any or all respects invalid, fraudulent or forged; (c) payment by the Bank against presentation of documents which do not comply with the terms of the applicable Letter of Credit, including failure of any documents to bear any reference or adequate reference to such Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under the Letters of Credit; *provided, however*, that the City shall have a claim against the Bank to the extent of any direct compensatory, as opposed to consequential, damages suffered by the City which the City proves were caused by the Bank's negligence or willful misconduct in connection with a Letter of Credit (it being understood that the Bank assumes no liability or responsibility for the genuineness, falsification or effect of any document which appears to be regular on its face). The Bank is hereby expressly authorized and directed to honor any demand for payment which is made under a Letter of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between or among the City, the Tender Agent and the Paying Agent, any transferee beneficiary of any Letter of Credit or any other Person or the respective rights, duties or liabilities of any of them, or whether any facts or occurrences represented in any of the documents presented under the Letters of Credit are true and correct.

Section 7.4. Participations. The Bank may at any time, without the consent of, or notice to, the City, sell participations to any Person (other than a natural person or the City) (each, a "*Participant*") in all or a portion of the Bank's rights and obligations under this Agreement and the Bank Fee Agreement and its obligations under a Letter of Credit (including all or a portion of the applicable Commitment and of any Drawings or Liquidity Advances due and owing hereunder); *provided* that (i) the Bank's obligations under the Letters of Credit shall remain unchanged, (ii) the Bank shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the City shall continue to deal solely and directly with

the Bank in connection with the Bank's rights under this Agreement, the Bank Fee Agreement, and its obligations under the Letters of Credit.

Any agreement or instrument pursuant to which the Bank sells such a participation shall provide that the Bank shall retain the sole right to enforce this Agreement and the Bank Fee Agreement and to approve any amendment, modification or waiver of any provision hereof or thereof; *provided* that such agreement or instrument may provide that the Bank will not, without the consent of the Participant, agree to any amendment or waiver described in Section 7.6(a), 7.6(b), 7.6(c) or 7.6(d) hereof that affects such Participant.

Section 7.5. Survival of this Agreement. All covenants, agreements, representations and warranties made in this Agreement shall survive the issuance of the Letters of Credit and shall continue in full force and effect so long as any Letter of Credit shall be unexpired or any Obligations shall be outstanding and unpaid. The obligation of the City to reimburse the Bank pursuant to Sections 2.13, 2.14, 7.2, 7.3 and 7.12 hereof shall survive the payment of the Bonds and termination of this Agreement.

Section 7.6. Modification of this Agreement. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by the Bank and the City and consented to in writing by the Insurer (*provided, however*, that no consent of the Insurer shall be required in connection with the extension of the Stated Expiration Date of the Letters of Credit, any amendment to the Bank Fee Agreement or any other amendment which would not materially adversely affect the rights of the Insurer hereunder; *provided, however*, that if an Insurer Event of Default shall have occurred and be continuing, then the Bank and the City may amend this Agreement without the consent of the Insurer unless such amendment would be adverse to the Insurer or would change its obligations in connection with any Bank Bonds. No amendment, modification or waiver of any provision of the Letters of Credit shall in any event be effective unless the same shall be in writing and signed by the Bank (in its sole discretion). Any such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the City in any case shall entitle the City to any other or further notice or demand in the same, similar or other circumstances.

Section 7.7. Waiver of Rights by the Bank. No course of dealing or failure or delay on the part of the Bank in exercising any right, power or privilege hereunder or under any Letter of Credit or the Bank Fee Agreement shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right or privilege. The rights of the Bank under the Letters of Credit, this Agreement and the Bank Fee Agreement are cumulative and not exclusive of any rights or remedies which the Bank would otherwise have.

Section 7.8. Severability. In case any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid,

illegal or unenforceable provisions with valid provisions the economic and legal effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 7.9. Governing Law. In addition, the City shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing, and recording of this Agreement or the Bank Fee Agreement and the security contemplated by the Financing Documents and agrees, to the extent permitted by the law of the State, to hold the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees; *provided, however*, that the City may reasonably contest any such taxes or fees with the prior written consent of the Bank, which consent, if an Event of Default does not then exist, shall not be unreasonably withheld. In addition, the City agrees to pay, after the occurrence of an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Bank in enforcing any obligations or in collecting any payments due from the City hereunder by reason of such Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any insolvency or bankruptcy proceedings. The obligations of the City under this Section 7.12 shall survive the termination of this Agreement.

Section 7.13. Payment Obligations of the City hereunder and under the Bank Fee Agreement. Notwithstanding anything set forth to the contrary herein, any provision of this Agreement or the Bank Fee Agreement which provides that the City will make payments to the Bank in respect of any Obligations hereunder or under the Bank Fee Agreement shall be an obligation of the City to make such payment to the Bank subject to the limitations contained in this Agreement as to the sources of funds available to the City for such purpose.

Section 7.14. Headings. The captions in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

Section 7.15. Counterparts. This Agreement may be executed in counterparts, each of which shall constitute an original but all taken together to constitute one instrument. This Agreement may be delivered by the exchange of signed signature pages by facsimile transmission or by e-mail with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as an originally signed version of such signature page.

Section 7.16. Entire Agreement. This Agreement and the Bank Fee Agreement constitute the entire understanding of the parties with respect to the subject matter hereof and thereof and any prior agreements, whether written or oral, with respect thereto are superseded hereby and thereby.

Section 7.17. USA Patriot Act. (a) The Bank hereby notifies the City that, pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107 56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the City, which information includes the name and address of the City and other information that will allow the Bank to identify the City in accordance with the Patriot Act, and the City hereby agrees to take any action necessary to enable the Bank to comply with the requirements of the Patriot Act.

(b) The City shall ensure that no person who controls the City is or shall be listed on the "*Specially Designated Nationals and Blocked Person List*" or other similar lists maintained by the Office of Foreign Assets Control ("*OFAC*"), the Department of the Treasury or included in any Executive Orders that prohibit or limit the Bank from making any advance or extension of credit to the City or from otherwise conducting business with the City. The City shall comply with all applicable Bank Secrecy Act ("*BSA*") laws and regulations, as amended. The City agrees to provide such documentary and other evidence of the City's identity as may be requested by the Bank at any time to enable Bank to verify the City's identity or to comply with any applicable law or regulation, including, without limitation, Section 326 of the Patriot Act.

Section 7.18. Insurance Policy Claims. Following payment by the Bank of any Drawing under a Letter of Credit, the Bank shall have forty-five (45) Business Days from the date of such payment to direct the Insurer to reimburse the Bank for the amount of the Drawing that was not reimbursed by the City, the Tender Agent or the Paying Agent from amounts in the funds and accounts under the Ordinance. In the event the Bank fails to direct the Insurer to reimburse the Bank within the forty-five (45) Business Day period, the Bank shall be deemed to have elected not to receive reimbursement from the Insurer with respect to such payment under a Letter of Credit and to have waived its right to present such a claim to the Insurer for failure of the City to make such reimbursement. In no event shall the Bank be deemed to have waived its right to direct a mandatory tender of the Bonds with respect to any such reimbursement default as a result of the Bank waiving its right to present a claim of reimbursement to the Insurer.

Section 7.19. Insurer's Rights. Except as otherwise provided herein or in the Cancellation Agreement, the existence of all rights given to the Insurer hereunder and under the Ordinance with respect to the giving of consents, approvals or notices, or the direction of proceedings and its rights pursuant to Section 7.20 hereof is expressly conditioned upon (i) the Insurance Policy being in full force and effect or (ii) no Insurer Event of Default having occurred and being continuing. If either or both of such conditions is not satisfied, then only the Insurer's rights derived through subrogation or assignment shall continue in full force and effect, except as expressly provided herein or in the Cancellation Agreement. Any such rights shall not be exercisable by the Insurer (but shall be exercisable by the Bank in accordance with the terms of the Ordinance) if at any time (i) the Insurance Policy is no longer in full force and effect as a result of a termination of the Insurance Policy and the Insurer has been paid all amounts due and payable to it or (ii) an Insurer Event of Default has occurred and is continuing; *provided* that this Section 7.19 shall not in any way limit or affect the rights of the Insurer as subrogee of the Bank or Owner of a Bond or as assignee of the Bank or Owner of a Bond or to otherwise be reimbursed and indemnified for its costs and expenses and other payments on or in connection with the Reimbursement Obligations or the Insurance Policy either by operation of law or at equity or by contract.

Section 7.20. Third Party Beneficiary. The Bank and the City acknowledge that, unless (i) the Insurance Policy has been terminated pursuant to Section 6.3(a) or 6.4(a) hereof and the Insurer has been paid all amounts due and payable to it (if applicable in accordance with Section 6.3(a) or Section 6.4(a) hereof) or (ii) an Insurer Event of Default has occurred and is continuing, the Insurer shall be an express third party beneficiary of the provisions of this Agreement relating to the Insurer with the power to enforce the same.

Fee Agreement

**BANK FEE AGREEMENT
DATED AS OF JUNE __, 2014**

Reference is hereby made (i) to the Letter of Credit and Reimbursement Agreement dated as of June 1, 2014 (the "*Agreement*"), between CITY OF AUSTIN, TEXAS (the "*City*") and SUMITOMO MITSUI BANKING CORPORATION, acting through its New York Branch (the "*Bank*"), relating to the City of Austin, Texas, Airport System Refunding Revenue Bonds, Series 2005 (AMT) Subseries 2005-1, Subseries 2005-2, Subseries 2005-3 and Subseries 2005-4 (the "*Series 2005 Bonds*") and (ii) those four (4) Letters of Credit dated June __, 2014 (the "*Letter of Credit*"), issued by the Bank pursuant to the Agreement, each supporting a specified subseries of Series 2005 Bonds. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Agreement.

The purpose of this Bank Fee Agreement is to confirm the agreement between the Bank and the City with respect to the Letter of Credit Fees (as defined below) and certain other fees payable by the City to the Bank. This Bank Fee Agreement is the Bank Fee Agreement referenced in the Agreement, and the terms hereof are incorporated by reference into the Agreement.

ARTICLE I. FEES.

Section 1.1. Letter of Credit Fee. The City hereby agrees to pay to the Bank on June 30, 2014 (for the period commencing on the Closing Date and ending on June 30, 2014) and in arrears on the last Business Day of each September, December, March and June occurring thereafter to the Termination Date, and on the Termination Date, a non-refundable Letter of Credit Fee (the "*Letter of Credit Fee*") for each quarterly fee period, commencing on the first calendar day of such quarterly fee period and ending on the last calendar day of such quarterly fee period, in an amount equal to the product of the rate per annum associated with the Level specified below corresponding to the applicable Rating (as defined below) (the "*Letter of Credit Fee Rate*") multiplied by the Available Amount of each Letter of Credit (without regard to any temporary reductions thereof that may be subject to reinstatement) for each day during each related quarterly fee period. The City acknowledges and the Bank agrees, that as of the Closing Date, the Letter of Credit Fee Rate is that specified below for Level 1.

LEVEL	S&P RATING	FITCH RATING	MOODY'S RATING	LETTER OF CREDIT FEE RATE
Level 1	A or above	A or above	A2 or above	0.62%
Level 2	A-	A-	A3	0.90%
Level 3	BBB+	BBB+	Baa1	1.50%
Level 4	BBB	BBB	Baa2	2.25%

The term "*Rating*" as used above shall mean the lowest long-term unenhanced debt ratings assigned by S&P, Fitch or Moody's to any debt or other Payment Obligations of the City secured by and/or payable from Net Revenues on a parity with the Series 2005 Bonds. In the event of a split Rating (i.e., one of the foregoing Rating Agency's Ratings is at a different Level than the Rating of either of the other Rating Agencies), the Letter of Credit Fee Rate shall be based upon the Level in which the lowest Rating appears. References to ratings above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any Rating Agency, including, without limitation, any recalibration or realignment of the Ratings in connection with the adoption of a "global" rating scale, the Ratings from such Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. In the event that any Rating is suspended, withdrawn or otherwise unavailable for credit related reasons or reduced below any of the Ratings set forth in Level 4 above or if any Rating Agency shall otherwise cease to rate debt or other Payment Obligations of the City payable from Net Revenues on a parity with the Series 2005 Bonds, the Letter of Credit Fee Rate shall equal 3.00% per annum, immediately and automatically and without notice to the City. Upon the occurrence and continuation of an Event of Default, the Letter of Credit Fee Rate shall equal 3.00% per annum, automatically and without notice to the City. Any change in the Letter of Credit Fee Rate resulting from a reduction, withdrawal, suspension or unavailability of a Rating shall be and become effective as of and on the date of the announcement of the reduction, withdrawal, suspension or unavailability of such Rating. In the event that a Letter of Credit Fee is not paid when due, interest shall accrue on such Letter of Credit Fee from the date payment is due until payment in full at the Default Rate. Such Letter of Credit Fee shall be payable in immediately available funds and computed on the basis of a 360-day year and the actual number of days elapsed.

Section 1.2. Draw Fee. The City agrees to pay to the Bank, a non-refundable fee of \$300 for each draw on any Letter of Credit, payable on the date each such draw request is honored.

Section 3. The Bank will provide written notice in the form attached hereto as Exhibit A-1 signed by the Bank (the "*Notice*") of the exercise by the Bank of its right to request the cancellation of the Bond Policy pursuant to the terms of Sections 6.3 and 6.4 of the Reimbursement Agreement to the Issuer, the Agent and AGM specifying that the date of cancellation of the Bond Policy (the "*Cancellation Date*") shall be the sixteenth (16th) day following the Agent's receipt of the Notice, and the Agent shall take steps required pursuant to Section A-405 of the Ordinance to effect the mandatory tender of the Bonds. The Bank agrees that it shall not direct the Agent to draw on the Bond Policy, and the Agent agrees that it shall not draw on the Bond Policy, after the Bank has delivered the Notice. Upon delivery of the Notice and the Agent's receipt thereof, the Issuer, the Bank and the Agent hereby irrevocably consent to the cancellation of the Bond Policy in accordance with the terms of this Agreement. The Bank, as Owner of the Bonds, shall confirm such consent when it owns the Bonds following the mandatory tender thereof and prior to the remarketing thereof. The cancellation of the Bond Policy will be effective upon the Cancellation Date specified in the Notice subject to the terms of this Agreement; *provided* that in no event shall the Cancellation Date occur prior to the Mandatory Purchase Date (as such term is defined in the Ordinance). The Agent agrees to deliver to AGM the original executed Bond Policy for cancellation, *provided, however*, that if the original Bond Policy cannot be located after diligent search, the Agent shall deliver a copy of the Bond Policy, together with a lost policy affidavit in form and substance satisfactory to AGM stating that the original cannot be located. Notwithstanding anything to the contrary herein, the failure to deliver the original Bond Policy or any such affidavit shall not invalidate the cancellation of the Bond Policy pursuant to this Agreement.

Section 4. The parties hereto acknowledge and agree that until the Bond Policy is cancelled pursuant hereto, AGM shall be deemed the sole holder of all of the Bonds entitled to control remedies under the Ordinance (subject to the provisions of the Ordinance). Furthermore, the Bank agrees to cooperate with AGM in the event of a draw on the Bond Policy for the purpose of reimbursing the Bank, including assigning any rights the Bank may have with respect to the related Bonds paid with a draw on the Letters of Credit.

Section 5. The parties hereto agree that as of the Cancellation Date no amounts will be due or payable by AGM with respect to the Bonds pursuant to the Bond Policy, and none of the parties hereto or their successors or assigns will submit any claims for payment relating to the Bonds pursuant to the Bond Policy.

Section 6. On or prior to the Cancellation Date, the Issuer shall deliver or cause to be delivered to the Agent for authentication new Bonds that (a) do not contain the AGM statement

of insurance and (b) have new CUSIPs assigned reflecting the absence of insurance, with a list of such new CUSIPs to be provided to AGM.

Section 7. Notwithstanding any provision to the contrary in this Agreement, the Ordinance, the Reimbursement Agreement or the Bonds, the parties hereto acknowledge that to the extent AGM has made any payments under the Bond Policy prior to the Cancellation Date:

(a) each recognizes that, to the extent AGM has made payments, directly or indirectly (as by paying through the Agent), on account of principal of or interest on the Bonds to any holder of the Bonds (a "*Holder*"), AGM will be (i) subrogated to the rights of such Holder to receive the amount of such payment from the Issuer, as provided and from the sources stated in the Ordinance and the Bonds, and (ii) deemed to be the Holder of such Bond or Bonds for all purposes under the Ordinance, including, without limitation, the direction of remedies, the voting or giving of consent with respect to remedies and other actions or inactions of the Agent or the Issuer that may require such voting or consent, and the filing of proofs of claim and other indicia of ownership in any insolvency proceeding; and

(b) AGM is entitled to receive the amount of such principal and interest as provided in the Ordinance and the Bonds, and the parties hereto will otherwise treat AGM as the owner of such rights to the amount of such payment.

Section 8. The Issuer agrees that there will be no refund or return of the insurance premium for the Bond Policy or the Reserve Policy in connection with cancellation of the Bond Policy or the Reserve Policy. Furthermore, the Issuer agrees to pay all reasonable out-of-pocket fees and expenses of AGM in connection with the cancellation of the Bond Policy and the Reserve Policy.

Section 9. The Issuer covenants that (a) in connection with any remarketing of the Bonds on or after the Cancellation Date, a disclosure document will be delivered to prospective Bondholders that states prominently that the Bond Policy is no longer in effect with respect to the Bonds and the purchasers of the remarketed Bonds shall be deemed to have consented to the cancellation of the Bond Policy and (b) it will file with the Municipal Securities Rulemaking Board ("*MSRB*") (or any successor repository of disclosure of information relating to the Bonds) on or as of the Cancellation Date a filing that discloses that the Bond Policy is no longer in effect with respect to the Bonds. The Issuer shall make such disclosure documents and MSRB filings available to AGM reasonably in advance of the use and/or filing of such materials.

Section 10. [Reserved.]

Section 11. All notices shall be sent to the addressees and in the manner specified in Section A-702(c) of the Ordinance; *provided* that notices to (a) the Issuer shall be sent to it at 700 Lavaca, Suite 940, Austin, Texas 78701, Attention: City Treasurer, and (b) the Bank shall be sent to it 277 Park Avenue, New York, New York 10172, Attention: _____.

Section 12. This Agreement shall be binding upon and inure to the benefit of the Bank, subsequent beneficial owners of the Bonds, the Agent, the Issuer, and AGM and their respective successors and assigns.

Section 13. This Agreement may be executed in several counterparts, each of which shall be an original and all of which together shall constitute but one and the same instrument. This Agreement may be delivered by the exchange of executed signature pages by facsimile transmission or by email with a pdf copy or other replicating image attached, and any printed or copied version of any signature page so delivered shall have the same force and effect as the originally signed version of such signature page.

Section 14. Notwithstanding any other provision hereof, all financial obligations of the Issuer under or as a consequence of actions required by this Agreement are limited to the sources provided therefore in the Ordinance and are subject to all limitations on such sources and priorities with respect to payment therefrom as are set forth in the Ordinance.

Section 15. The parties acknowledge and agree that upon the termination of the Bond Policy in accordance herewith, the Series 2005 Swap Agreement entered into in connection with the Bonds or the Swap Policy shall be terminated in accordance with, and to the extent required by, the terms of the Second Amended and Restated Agreement Regarding Insured Swap Transaction (City of Austin), dated the date hereof, between the Issuer and AGM.

Section 16. The parties acknowledge and agree that upon the termination of the Bond Policy in accordance herewith (unless an Insurer Event of Default (as defined in the Reimbursement Agreement) has occurred and is continuing), the Reserve Policy shall be cancelled by a date that is not more than three years after the Cancellation Date, and the Issuer shall (i) beginning with the first full calendar month following the Cancellation Date, commence funding on a monthly basis an amount sufficient so that the Debt Service Reserve Fund Requirement is established (without giving effect to the Reserve Policy) by the date that is three years after the Cancellation Date and (ii) restore any draw on the Debt Service Reserve Fund from over a period of no more than 18 months as required by Section 5.07 of the Ordinance. The Issuer further agrees that, commencing on the date hereof, it shall not issue any Additional Revenue Bonds payable from the Reserve Policy. Following the date the Reserve Policy is cancelled pursuant to the terms hereof or otherwise terminates in accordance with its terms, the Agent agrees to return the original Reserve Policy to AGM.

Section 17. The Bank irrevocably agrees for the benefit of AGM, the Agent and the City that the only manner in which the Bank may direct the Agent to cause a mandatory tender of the Bonds (in connection with the cancellation of the Bond Policy, the termination of the Letters of Credit, or otherwise) is to provide a written notice in the form attached hereto as Exhibit A-1 or Exhibit A-2, as applicable, in accordance with the terms of this Agreement.

Section 18. This Agreement shall be governed by the law of the State of New York applicable to contracts executed and to be performed in the State of New York by parties domiciled in the State of New York, except that the law of the State of Texas shall govern all matters relating to the powers, authority and obligations of the Issuer. Defined terms used herein and not otherwise defined shall have the meanings assigned to them in the Ordinance.

Section 1. *Reporting.* Following a termination of the Bond Policy pursuant to the Cancellation Agreement, the City shall provide the following to AGM: (i) on a monthly basis, a statement of the estimated aggregate mark-to-market value of the Swap Transaction in the form currently being provided to the City by the Counterparty and (ii) notice at such time, if any, as the aggregate mark-to-market value of the Swap Transaction is negative \$100,000 or an amount more favorable to the City within two (2) business days of that being the case (it being understood that such notice, if any, shall be based upon the monthly statement delivered pursuant to clause (i) hereinabove).

Subject to the terms and conditions contained herein and in the Ordinance, Wells Fargo Bank, N.A., is hereby designated and appointed Tender Agent in the performance of its duties and obligations hereunder and under the Ordinance. Wells Fargo Bank, N.A., hereby accepts such appointment and the City consents to such designation and appointment. By its execution and delivery of this Agreement, the Tender Agent hereby covenants and agrees to comply with the provisions of the Ordinance applicable to the Tender Agent. During the term hereof, the Tender Agent hereby covenants and agrees to maintain an office where Bonds no longer held in the Book-Entry System may be delivered and tendered for purchase to the Tender Agent. The initial designated office of the Tender Agent is: 608 2nd Ave S, Minneapolis, Minnesota 55479, Attention: REORG N9303-121.

Bonds tendered for purchase which are held in Book-Entry System shall be tendered pursuant to such Book-Entry System.

SECTION 3. Creation of Purchase Fund. The Tender Agent shall further establish and maintain separate accounts within the Purchase Fund known as the "Liquidity Facility Purchase Account" and the "Remarketing Proceeds Account."

Upon receipt from the Remarketing Agent of the proceeds of remarketing of Bonds of a Subseries on a Purchase Date or Mandatory Purchase Date, the Tender Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the remarketed Bond. Notwithstanding the foregoing, upon the receipt of the proceeds of remarketing of Bank Bonds, the Tender Agent shall immediately pay such proceeds to or for the account of the Liquidity Facility Issuer to the extent of any amount owing to the Liquidity Facility Issuer.

Upon receipt by the Tender Agent of immediately available funds to pay the Purchase Price of Bonds pursuant to Section A-411 of the Ordinance, the Tender Agent shall deposit such money in the Liquidity Facility Purchase Account for application to the Purchase Price of the Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account shall not be sufficient. Any amounts deposited in the Liquidity Facility Purchase Account and not needed with respect to the Purchase Price for any Bonds of such subseries shall be immediately returned to the order of the applicable Liquidity Facility Issuer.

Amounts held in the Liquidity Facility Purchase Account and the Remarketing Proceeds Account by the Tender Agent shall be held uninvested and separate and apart from all other funds and accounts.

SECTION 4. Delivery of Bonds. The Bonds of a subseries shall be delivered in accordance with Section A-409 of the Ordinance.

SECTION 5. Tenders; Remarketing of the Bonds.

(a) Mandatory Tenders. At the times specified in Section A-405 of the Ordinance, notice of any mandatory tender of Bonds of a subseries shall state that such Bonds are to be purchased pursuant to Sections A-402, A-403 or A-404 of the Ordinance, and shall be provided by the Paying Agent/Registrar or caused to be provided by the Paying Agent/Registrar by mailing a copy of the notice of mandatory tender by first-class mail to each Owner of the Bonds of the subseries at the respective addresses shown on the registry books. Each notice of mandatory tender for purchase shall identify the reason for the mandatory tender for purchase, and specify the CUSIP number, Mandatory Purchase Date, the Purchase Price, the place and manner of payment, that the Owner has no right to retain such Bonds and that no further interest will accrue from and after the Mandatory Purchase Date to such Owner. Each notice of mandatory tender for purchase caused by a change in the Mode applicable to the Bonds of a subseries shall in addition specify the conditions that have to be satisfied pursuant to Section A-207 of the Ordinance in order for the New Mode to become effective and the consequences that the failure to satisfy any of such conditions would have. In the event a mandatory tender of Bonds of a subseries shall occur at or prior to the same date on which an optional tender for purchase is scheduled to occur, the terms and conditions of the applicable mandatory tender for purchase shall control. The Paying Agent/Registrar shall give a copy of any notice of mandatory tender given by it to the other Notice Parties. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of any Bond receives the notice, and the failure of such Owner to receive any such notice shall not affect the validity of the action described in such notice. Failure by the Paying Agent/Registrar to give a notice as provided in this Section shall not affect the obligation of the Tender Agent to purchase the Bonds of a subseries subject to mandatory tender for purchase on the Mandatory Purchase Date.

(b) Optional Tenders. Any Bond of a subseries (or portions thereof in Authorized Denominations) in the Daily Rate Mode that is not a Bank Bond is subject to purchase, on the demand of the Owner thereof, at a price equal to the Purchase Price on any Business Day (such purchase to be made on the Business Day upon which such demand is made), upon irrevocable notice submitted by Electronic Means to the Tender Agent and the Remarketing Agent (promptly confirmed in writing by such Owner), delivered to the Tender Agent and the Remarketing Agent by telecopier by 11:00 a.m., New York City time, at their respective Principal Offices, which states the number and principal amount of such Bond being tendered and the Purchase Date. Such tender notice, once transmitted to the Tender Agent, shall be irrevocable with respect to the tender for which such tender notice was delivered and such tender shall occur on the Business Day specified in such Tender Notice. The Tender Agent shall, as soon as practicable, notify the City of the principal amount of Bonds of the Series being tendered. The contents of any such irrevocable telephonic tender notice shall be conclusive and binding on all parties.

The Owners of Bonds of a subseries in a Weekly Rate Mode that are not Bank Bonds may elect to have such Bonds (or portions thereof in Authorized Denominations) purchased at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender to the

Tender Agent and Remarketing Agent, at their respective Principal Offices, not later than 5:00 p.m., New York City time, on a Business Day not less than seven (7) days before the Purchase Date specified by the Owner. Such notice shall (i) state the number and the principal amount of such Bond being tendered and (ii) state that such Bond shall be purchased on the Purchase Date so specified by the Owner. The Tender Agent shall notify the City by the close of business on the next succeeding Business Day of the receipt of any notice pursuant to this paragraph.

(c) Remarketing of the Bonds.

(i) The Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 11:45 a.m. (12:15 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, of the registration instructions as may be necessary to re-register the Bonds.

(ii) Unless otherwise permitted by the Securities Depository and the book-entry-only system applicable to a Series of Bonds, the Tender Agent shall authenticate and have available for delivery to the Remarketing Agent prior to 12:30 p.m., New York City time, on the Purchase Date or Mandatory Tender Date new Bonds of the Series for the respective purchasers thereof.

(iii) The Remarketing Agent shall at or before 12:00 noon (12:20 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, on the Purchase Date or Mandatory Purchase Date, as the case may be, confirm to the City, the Paying Agent/Registrar and the Tender Agent the transfer of the Purchase Price of remarketed Bonds of the subseries to the Tender Agent in immediately available funds at or before 11:45 a.m. (12:15 p.m. in the case of Bonds of a subseries in the Daily Rate Mode), New York City time, such confirmation to include the pertinent identifying information with respect to such transfer.

(iv) To the extent a Liquidity Facility is in effect for a subseries of Bonds, the Tender Agent shall draw on the related Liquidity Facility, in accordance with the terms thereof, by 12:25 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date, as the case may be, in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered less the aggregate amount of remarketing proceeds confirmed to the City, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent pursuant to clause (1) of Section A-407(c) of the Ordinance and shall cause the proceeds of such draw to be transferred to the Tender Agent by no later than 2:30 p.m., New York City time. Notwithstanding the foregoing, the Tender Agent shall draw on the related Liquidity Facility in an amount equal to the Purchase Price of all Bonds of the subseries tendered or deemed tendered for purchase on each Purchase Date or Mandatory Purchase Date, as the case may be, if it does not receive a confirmation from the Remarketing Agent pursuant to clause (1) of Section A-407(c) of the Ordinance.

(v) To the extent a Liquidity Facility is in effect for a subseries of Bonds, the Tender Agent shall confirm to the City by 2:40 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date, receipt of the proceeds of any draw on such Liquidity Facility.

SECTION 6. Tender of Bonds to Tender Agent. Each Owner who is required to tender its Bond to the Tender Agent must tender such Bond to the Tender Agent in accordance with Section A-410 of the Ordinance. For any Bonds required to be tendered for purchase which are not in fact delivered, the Tender Agent shall hold any funds received for purchase of those Bonds in trust in a separate account and shall pay such funds to the former Owners upon presentation of the Bonds subject to tender, and such Bonds shall be deemed tendered and cease to accrue interest as to the former Owners on the Purchase Date or Mandatory Purchase Date pursuant to the Ordinance.

SECTION 7. Source of Funds for Purchase of Bonds of a Subseries. At or before the close of business on the Purchase Date or Mandatory Purchase Date with respect to Bonds of a subseries, the Tender Agent shall purchase such Bonds from the Owners at the Purchase Price. Unless otherwise provided in a certificate of an Authorized Officer delivered to the Paying Agent/Registrar, the Insurer, the Tender Agent and the Remarketing Agent on a Purchase Date or Mandatory Purchase Date, funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated: (1) immediately available funds on deposit in the Remarketing Proceeds Account with respect to Bonds of such subseries; and (2) to the extent a Liquidity Facility is in effect, immediately available funds on deposit in the Liquidity Facility Purchase Account derived from the Liquidity Facility relating to Bonds of such subseries.

Notwithstanding the foregoing, unless otherwise provided in a certificate of an Authorized Officer delivered to the Tender Agent and the Remarketing Agent on a Purchase Date or Mandatory Purchase Date, the City shall have the option, but shall not be obligated, to transfer immediately available funds to the Tender Agent for the payment of the Purchase Price of any Bond that is tendered or deemed tendered for purchase in accordance with the terms of Appendix A of the Ordinance and the Purchase Price of which is not paid on the Purchase Date or Mandatory Purchase Date from the source identified above. Any Bonds purchased with such funds from the City shall be cancelled unless otherwise consented to by the Insurer. None of the City, the Tender Agent nor the Remarketing Agent shall have any liability or obligation to pay or advance its own funds or, except from the source identified above, make available such Purchase Price. Any Bonds held by or for the account of the City shall not be entitled to the benefit of a Liquidity Facility or the Bond Insurance Policy. Unless otherwise provided in a certificate of an Authorized Officer delivered to the Paying Agent/Registrar and the Tender Agent on a Purchase Date or Mandatory Purchase Date, the failure to pay any such Purchase Price for Bonds of a subseries that have been tendered or deemed tendered for purchase from the source identified above shall not constitute an Event of Default under the Ordinance and in the case of such failure such Bonds shall not be purchased and shall remain in the Mode in effect immediately preceding such Purchase Date or Mandatory Purchase Date, as the case may be, unless such Mode is automatically converted to a Weekly Rate Mode pursuant to Section A-205 of the Ordinance; provided, however, that if such Bonds were in the Auction Rate Mode immediately preceding such Date, such Bonds shall remain in the Auction Rate Mode for an Auction Period and bearing an Auction Period Rate as provided in Section A-207(c)(7) of the Ordinance.

SECTION 8. Purchase of Tendered Bonds by the Liquidity Facility Issuer; Deposits into the Liquidity Facility Purchase Account of the Purchase Fund; Notice to Paying Agent/Registrar and Tender Agent; Release of Bank Bonds. The Liquidity Facility Issuer, upon receipt of the

appropriate notice pursuant to the applicable Liquidity Facility, has agreed in each Liquidity Facility to purchase such unremarketed Bonds of a subseries by causing an amount equal to the aggregate Purchase Price of the unremarketed Bonds to be deposited in immediately available funds in the Liquidity Facility Purchase Account of the Purchase Fund no later than 2:30 p.m., New York City time, on the Purchase Date against delivery of such Bonds at the time and in the manner set forth in such Liquidity Facility.

The Tender Agent agrees to hold Bank Bonds as agent of the Liquidity Facility Issuer and to release any Bank Bonds solely in accordance with Section A-409 of the Ordinance.

SECTION 9. Disbursements from the Purchase Fund. Money in each of the Remarketing Proceeds Account and the Liquidity Facility Purchase Account of the Purchase Fund shall be applied by the Tender Agent by 3:00 p.m., New York City time, on each Purchase Date or Mandatory Purchase Date to purchase Bonds tendered to the Tender Agent at the Purchase Price in accordance with Appendix A of the Ordinance. Such Purchase Price shall be paid by wire transfer in immediately available funds on such Purchase Date or Mandatory Purchase Date; provided, however, for so long as the Bonds are held in the Book-Entry System, such payment will be in accordance with the requirements of the Book-Entry System.

SECTION 10. Transfer and Delivery of Tendered Bonds for Purchase. A principal amount of Bonds equal to the principal amount of Bonds purchased on behalf of the Remarketing Agent pursuant to Sections 5 and 11 hereof or by the Liquidity Facility Issuer pursuant to Section 8 hereof shall be authenticated by the Tender Agent and delivered to, or as instructed by, the Remarketing Agent or the respective Liquidity Facility Issuer, as applicable, and the Tender Agent shall cause the Paying Agent/Registrar to register such Bonds in the name or names provided by the Remarketing Agent or the Liquidity Facility Issuer, as applicable. The Remarketing Agent is required to redeliver such Bonds received from the Tender Agent to the respective purchasers not later than 3:30 p.m., New York City time.

Notwithstanding anything to the contrary in the foregoing paragraph, for so long as the Bonds are held in the system of book-entry of DTC in accordance with Section 3.09 of the Ordinance, (i) any Bond remarketed by the Remarketing Agent shall be delivered to the new beneficial owner thereof by a transfer in the book-entry system of DTC of such remarketed Bond to the applicable DTC Participant account for such beneficial owner; and (ii) Bank Bonds shall be delivered to the Liquidity Facility Issuer by a transfer in the book-entry system of DTC of such Bank Bonds to the DTC Participant account of the Tender Agent for the benefit of the Liquidity Facility Issuer, as beneficial owner of such Bank Bonds.

SECTION 11. Remarketing of Bank Bonds. The Remarketing Agent has agreed in the Remarketing Agreement that it shall exercise its best efforts to solicit purchases of any Bank Bonds at a price of not less than 100% of the principal amount thereof, and upon receipt of the proceeds of any remarketing of such Bank Bonds the Tender Agent shall immediately pay such proceeds to or for the account of the Liquidity Facility Issuer to the extent of any amount owing to the Liquidity Facility Issuer. Upon receipt by the Tender Agent of funds representing the proceeds of the remarketing of such Bank Bonds, new Bonds in place of such Bank Bonds so remarketed shall be registered in the names of the buyers thereof by the Paying Agent/Registrar and delivered by the Remarketing Agent to the buyers thereof and the proceeds of such

remarketing shall, prior to or simultaneously with such delivery, be transferred by the Tender Agent to the Liquidity Facility Issuer by wire transfer.

SECTION 12. Draws on Liquidity Facility. Draws on any Liquidity Facility shall be made in accordance with the provisions of Section A-411 of the Ordinance.

SECTION 13. Maintenance of Books and Records. The Tender Agent agrees to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the City, the related Credit Facility Issuer and the related Liquidity Facility Issuer at all reasonable times.

SECTION 15. General.

(a) Payment of Tender Agent: Indemnification. The City shall pay the annual Tender Agent fee and all reasonable and actual out of pocket expenses of the Tender Agent for acting under and pursuant to this Agreement as set forth in Annex A hereto. To the extent permitted by law, the City shall indemnify and save harmless the Tender Agent and its officers and employees from and against any and all losses, costs, charges, expenses, judgments and liabilities to third parties arising out of its acting in good faith to carry out the transactions contemplated by this Agreement; provided, however, that such indemnification shall not apply to any losses, costs, charges, expenses, judgments or liabilities caused by the negligence or willful misconduct of the Tender Agent or its officers or employees. The terms of this Section 15(a) shall survive the termination of this Agreement and the payment of the all fees, expenses and amounts due hereunder shall be subject to annual appropriation of available funds by the City for the payment thereof.

(b) Tender Agent's Performance: Duty of Care. The Tender Agent consents and agrees to (i) hold all sums held by it for the payment of Bonds or Bank Bonds, as applicable, in trust for the benefit of the Owners or the Liquidity Facility Issuer, as applicable, until such sums shall be paid to the Owners or the Liquidity Facility Issuer or otherwise disposed of as herein

provided, and (ii) perform and comply with all the terms and provisions on its part contained in this Agreement.

The duties and obligations of the Tender Agent shall be determined solely by the express provisions of this Agreement and the Ordinance, and no implied covenants or obligations shall be read into this Agreement against the Tender Agent; and in the absence of negligence or willful misconduct on the part of the Tender Agent, the Tender Agent may conclusively rely, as to the truth of the statements expressed therein, upon any document furnished to the Tender Agent and conforming to the requirements of this Agreement and the Tender Agent may rely and shall be protected in acting upon any document believed by it to be genuine and to have been signed or presented by the proper party or parties; but in the case of any such document which by any provision hereof is specifically required to be furnished to the Tender Agent, the Tender Agent shall be under a duty to examine the same to determine whether or not it conforms to the requirements of this Agreement.

No provision of this Agreement shall be construed to relieve the Tender Agent from liability for its own negligence or willful misconduct or that of its officers or employees.

(c) Payments. Any provision of this Agreement or any statute to the contrary notwithstanding, the Tender Agent hereby waives any rights to, or liens for, its fees, charges and expenses for services hereunder from funds or obligations credited to the Purchase Fund. The Tender Agent agrees that it will be reimbursed and compensated for its fees, charges and expenses for acting under and pursuant to this Agreement only from payments to be made by the City pursuant to Section 15(a) hereof.

(d) Term of this Agreement. This Agreement shall become effective upon the effective date of the Letters of Credit and shall remain in full force and effect until (i) such time as the principal of and premium, if any, and interest on all Bonds under the Ordinance shall have been paid or shall no longer have the right to be tendered for purchase; provided, however, that the City and the Tender Agent shall have fulfilled all their respective obligations hereunder, whereupon this Agreement shall terminate; or (ii) resignation by the Tender Agent or removal of the Tender Agent in accordance with Section 15(e) hereof, it being understood, in each case, that the Tender Agent does not waive or relinquish any rights it may have under Section 15(a) hereof.

(e) Resignation by or Removal of the Tender Agent. The Tender Agent may at any time resign and be discharged from the duties and obligations hereby created by giving at least sixty (60) days' written notice by first class mail, postage prepaid, to the City, the Credit Facility Issuer and the Liquidity Facility Issuer; provided, that resignation or removal (as set out below) shall not be effective until a successor Tender Agent, which shall be a bank or trust company duly qualified to act in the capacity as a successor Tender Agent, shall have been appointed by the City and acting under the Ordinance. The Tender Agent may be removed at any time, at the direction of the City, by an instrument filed with the Tender Agent and the Remarketing Agent.

(f) Amendments. (i) This Agreement may not be amended so as to adversely affect the right of the Owners or the Liquidity Facility Issuer to effect the purchase of Bonds pursuant to the Ordinance without the prior written approval of the Liquidity Facility Issuer and (ii) the City agrees to give to the Tender Agent prompt written notice of any modification or change of

or supplement or amendment to the Ordinance which would affect the rights or obligations of the Tender Agent hereunder. No such modification or change shall be effective against the Tender Agent unless the Tender Agent shall have consented thereto in writing.

(g) Successors and Assigns. The rights, duties and obligations of the City, the Paying Agent/Registrar, the Remarketing Agent and the Tender Agent hereunder shall inure, without further act, to their respective successors and permitted assigns; provided, however, that the Tender Agent may not assign or delegate its rights and obligations under this Agreement without the prior written consent of the City and, provided further, any successor Tender Agent shall execute a tender agent agreement substantially in the form and substance as this Agreement.

(h) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

(i) Limited Liability. Any obligation of the City created by or arising out of this Agreement and owing to the Tender Agent shall be a limited unsecured obligation of the City, payable solely from the Net Revenues of the Airport System, in accordance with the customary payment approval procedures, policies and processes of the City.

(j) Governing Law. This Agreement shall be governed by the laws of the State of Texas.

Sub-Series 2005-3 of the Series 2005 Bonds was remarketed on May 7, 2008. Sub-Series 2005-4 of the Series 2005 Bonds was remarketed on May 14, 2008. This Information Circular supersedes the Secondary Market Information Circular dated April 26, 2012.

The Series 2005 Bonds were issued by the City of Austin, Texas (the "City" or the "Issuer") pursuant to the ordinance adopted by the City on August 4, 2005, as amended and supplemented on May 26, 2011 and April 24, 2012 (the "Ordinance").

The City of Austin, Texas (the "City") intends to substitute four separate direct-pay letters of credit, each constituting a Direct-Pay Credit Facility and a Liquidity Facility, for the existing Liquidity Facility. Such substitution will take place on June __, 2014 (the "Tender Date"). The Series 2005 Bonds will be subject to mandatory tender for purchase on the Tender Date.

This Information Circular describes the Letter of Credit and Reimbursement Agreement dated as of June 1, 2014 between the City and Sumitomo Mitsui Banking Corporation, New York Branch ("SMBC" or the "Bank"), with respect to the Series 2005 Bonds, that will be executed and delivered on or before the Tender Date. The Bank will issue a letter of credit with respect to the particular Sub-Series of Series 2005 Bonds, as provided in the Reimbursement Agreement, in the amount of \$53,725,000, with respect to Sub-Series 2005-1 of the Series 2005 Bonds, in the amount of \$53,650,000, with respect to Sub-Series 2005-2 of the Series 2005 Bonds, in the amount of \$53,725,000, with respect to Sub-Series 2005-3 of the Series 2005 Bonds, and in the amount of \$53,725,000, with respect to Sub-Series 2005-4 of the Series 2005 Bonds (individually, a "Letter of Credit" and collectively, the "Letters of Credit"), that will be delivered on the Tender Date. Each Letter of Credit is calculated on the basis of the currently outstanding principal amount of the Series of 2005 Bonds for which it is issued, plus _____ (__) days accrued interest thereon at the rate of twelve percent (12%) per annum calculated on the basis of a 365 day year. Each Letter of Credit will expire on October 1, 2018, unless extended or terminated sooner in accordance with the terms of the Reimbursement Agreement. See

"REIMBURSEMENT AGREEMENT" herein. Each Letter of Credit also is also referred to in this Information Circular collectively as the "Credit Facility".

Payment of scheduled principal of and interest on the Series 2005 Bonds, together with the purchase price of Series 2005 Bonds subject to optional or mandatory tender for purchase which have not been remarketed, will be payable from amounts received under the respective Letter of Credit. Series 2005 Bonds tendered for purchase will be paid first, from the proceeds of remarketing, if any, and second, from a Liquidity Drawing on a Letter of Credit. The Bank is liable solely with respect to the scheduled principal and interest and purchase price of the Series 2005 Bonds. The City has no obligation to purchase tendered Series 2005 Bonds. See "REIMBURSEMENT AGREEMENT" herein.

The 2011 substitution of the letters of credit for the then existing Liquidity Facility issued in support of the Series 2005 Bonds resulted in amendments to the Authorizing Ordinance adopted by the City. See "APPENDIX D - AMENDMENTS TO MULTI-MODAL PROVISIONS" to this Information Circular for a description of those amendments. The 2011 substitution of the letters of credit for the then existing Liquidity Facility resulted in certain descriptions in the 2008 Remarketing Agreement being superseded for so long as the Letters of Credit remain in effect. See "APPENDIX E - CERTAIN REVISIONS TO 2008 REMARKETING MEMORANDUM" to this Information Circular for a description of those changes.

REIMBURSEMENT AGREEMENT

The Letter of Credit issued by SMBC under the terms of the Reimbursement Agreement relating to the Series 2005 Bonds, provides credit and liquidity support for the Series 2005 Bonds covered by the Letters of Credit. The following summary of the Reimbursement Agreement does not purport to be comprehensive or definitive and is subject to all the terms and provisions of the Reimbursement Agreement to which reference is made hereby. Investors are urged to obtain and review a copy of the Reimbursement Agreement in order to understand all of the terms of the document. A copy of the Reimbursement Agreement may be obtained from the City or from the City's Financial Advisor, Public Financial Management, Inc. Austin, Texas. See "APPENDIX A - INFORMATION REGARDING THE BANK" for certain information regarding the Bank. Certain defined terms used in this section of the Offering Circular have the meanings given said terms in "APPENDIX B - REIMBURSEMENT AGREEMENT DEFINED TERMS".

General

Upon compliance with the terms and conditions of the Reimbursement Agreement, and subject to the terms and conditions set forth therein, the Bank is obligated, subject to the satisfaction of certain conditions precedent, to provide funds for the purchase of the Series 2005 Bonds that are tendered for purchase and not remarketed, whether at the option of the owner of the Series 2005 Bonds or upon mandatory tender for purchase.

The Paying Agent is authorized to make drawings for the scheduled payment of principal of and interest on the Series 2005 Bonds of any Sub-Series (each, a "Credit Drawing") under the respective Letters of Credit. The Tender Agent is authorized to make a drawing on the applicable Letter of Credit for the payment of the purchase price of the applicable Sub-Series of the Series 2005 Bonds bearing interest at the Weekly Rate that have been tendered and not remarketed (each, a "Liquidity Drawing"), subject to certain conditions set forth in the Letter of Credit and in the Reimbursement Agreement.

Each Liquidity Drawing shall constitute an advance (a "Liquidity Advance") under the Letter of Credit. If, however, at the time of payment by the Bank of any Liquidity Drawing the Bond Policy is no longer in effect and the Conditions Precedent are not satisfied, then all amounts of such Liquidity Drawing for which the Bank has not been reimbursed at the close of business of the day of the Bank's payment of such Liquidity Drawing shall be immediately due and payable and shall accrue interest at the Default Rate. In the Reimbursement Agreement, the City promises to reimburse the Bank for the interest portion of each Liquidity Advance (as a result of a Liquidity Drawing under a Letter of Credit) on the earliest to occur of (A) the next succeeding Interest Payment Date, (B) the date on which the Letter of Credit is replaced by a Substitute Credit Facility pursuant to the terms of the Ordinance, (C) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the Letter of Credit in connection with such Liquidity Drawing are redeemed, prepaid or canceled pursuant to the Ordinance, (D) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the Letter of Credit in connection with such Liquidity Drawing are remarketed or deemed remarketed pursuant to the Ordinance, (E) the Conversion Date with respect to all of the Series 2005 Bonds supported by the applicable Letter of Credit, and (F) the termination of the Letter of Credit pursuant to the terms of the Reimbursement Agreement.

In the Reimbursement Agreement, the City promises to reimburse the Bank for the principal portion of each Liquidity Advance under its Letter of Credit on the earliest to occur of (A) the date on which the Letter of Credit is replaced by a Substitute Credit Facility pursuant to the terms of the Ordinance, (B) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the Letter of Credit in connection with such Liquidity Advance are redeemed, prepaid or canceled pursuant to the Ordinance, (C) the date on which any Sub-Series of Series 2005 Bonds purchased with funds disbursed under the Letter of Credit in connection with such Liquidity Advance are remarketed or deemed remarketed pursuant to the Ordinance, (D) the date which is one (1) Business Day following the Conversion Date with respect to all of the Series 2005 Bonds supported by the Letters of Credit, and (E) if on the Amortization Commencement Date the Bond Policy is no longer in effect and the Conditions Precedent are not satisfied, the Amortization Commencement Date.

The Sub-Series of the Series 2005 Bonds purchased by the Bank ("Bank Bonds") shall bear interest at the rates set forth in the Reimbursement Agreement applicable to such Sub-Series and shall be repaid as provided therein. All Liquidity Drawings and Credit Drawings shall be made under the Letter of Credit in accordance with its terms. The City has directed the Bank to make payments under the Letter of Credit in the manner provided therein. The City's obligation to repay each Liquidity Advance and to pay interest thereon shall be evidenced and secured by Bank Bonds.

Unless otherwise paid in full on one of the dates provided above, the principal portion of each Liquidity Advance shall be payable by the City in semiannual installments ("Semiannual Principal Payments") on each Amortization Payment Date, with the final installment in an amount equal to the entire then outstanding principal amount of such Liquidity Advance due and payable on the Amortization End Date (the period commencing on the Amortization Commencement Date and ending on the Amortization End Date is herein referred to as the "Amortization Period"). Each Semiannual Principal Payment shall be that amount of principal which will result in equal (as nearly as possible) Semiannual Principal Payments over the applicable Amortization Period. Notwithstanding the foregoing, if an Amortization End Date is changed in accordance with the proviso to clause (b) of the definition of "Amortization End Date" (as a result of the Bond Policy being terminated after the related Amortization Commencement Date), the Amortization Period shall be adjusted to reflect the new Amortization End Date and each Semiannual Principal Payment due over the remaining term of the adjusted Amortization Period shall be that amount of principal which will result in equal (as nearly as possible) Semiannual Principal Payments over the remaining term of the adjusted Amortization Period.

Each Letter of Credit will terminate on the earliest of (i) its Stated Termination Date; (ii) the date which is one (1) Business Day following the date on which all of the Series 2005 Bonds of the Sub-Series applicable to such Letter of Credit are converted to bear interest at a rate other than a Weekly Rate; (iii) the date which is one (1) Business Day following receipt by the Bank of a certificate stating that the Sub-Series of the Series 2005 Bonds applicable to such Bank's Letter of Credit are no longer outstanding, the Available Amount under the Bank's Letter of Credit has been reduced to zero and may not be reinstated, or a Substitute Credit Facility has been provided for such Letter of Credit; (iv) the date on which a Stated Maturity Drawing (as defined in the Letter of Credit) is honored; (v) the date which is sixteen (16) days following receipt by the Paying Agent/Registrar and the Tender Agent of a written notice specifying the occurrence of a City Event of Default and the applicable Bank directing the Tender Agent to cause a mandatory tender of the Bonds in accordance with the Ordinance.

Rights and Remedies

If an Event of Default shall have occurred, the Bank may exercise any one or more of the following rights and remedies in addition to any other remedies herein or by law provided:

(a) give written notice of the occurrence of any Event of Default hereunder to the Paying Agent, with a copy to the City and the Tender Agent, direct the Paying Agent to cause a mandatory tender of all the Bonds pursuant to Section A-403 of the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice, and the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement, in which case the City and the Bank shall take such action as shall be necessary to effect such termination pursuant to the Cancellation Agreement; *provided, however*, that if an Insurer Event of Default has also occurred and is continuing, the Bank may direct the City and the Paying Agent that the Insurance Policy shall not be terminated;

(b) pursue any rights and remedies it may have under the Financing Documents subject to the terms thereof, including instituting suit, actions or proceedings to enforce its rights under the Ordinance;

(c) pursue any other action available at law or in equity for specific performance of any covenant or agreement contained herein, in aid of execution of any power herein granted or for the enforcement of any proper legal remedy; or

(d) declare all Obligations to be immediately due and payable, whereupon the same shall be immediately due and payable without any further notice of any kind, which notice is hereby waived by the City (unless such automatic acceleration is waived by the Bank in writing);

provided, however, that in the case of the foregoing clauses (b), (c) and (d), the Bank shall not exercise any such rights and remedies or pursue such other actions, including directions or remedies under the Ordinance, without the consent of the Insurer unless the following conditions are met: (i) the Insurance Policy is no longer in effect and (ii) unless an Insurer Event of Default has occurred and is continuing, the Insurer has been paid all amounts due and payable to it, and if such conditions are met, then the Insurer's rights derived through subrogation or assignment shall nonetheless continue in full force and effect; *provided further*, that, notwithstanding the condition set forth in clause (i) of the foregoing proviso, if an Insurer Event of Default has occurred, the Bank may, while the Insurance Policy is in effect, exercise any such rights and remedies and pursue such other actions, including directions or remedies under the Ordinance. If the Bank has directed the Paying Agent to cause a mandatory tender of all of the Bonds pursuant to Section 6.3(a) or Section 6.4(a)

hereof, the Bank shall, and hereby covenants with the Insurer that it will (unless, with respect to Section 6.3(a) hereof, an Insurer Event of Default has occurred and the Bank has directed the City and the Paying Agent that the Insurance Policy shall not be terminated) satisfy at the earliest time practicable all applicable conditions to the effectiveness of termination of the Insurance Policy pursuant to the Cancellation Agreement and direct the Paying Agent not to draw on the Insurance Policy during the period between the Bank directing the Paying Agent to cause a mandatory tender of all of the Bonds and the effectiveness of termination of the Insurance Policy. Notwithstanding anything to the contrary herein, the Insurer's right to enforce the Bank's covenants set forth in this paragraph shall survive any termination of other rights of the Insurer.

In addition, the Bank may pursue any rights and remedies it may have under the Ordinance subject to the terms of the Ordinance, or pursue any other action available at law or in equity either for specific performance of any covenant or agreement contained in the Reimbursement Agreement or in aid of execution of any power granted therein.

Mandatory Tender upon Insurer Event of Default or Insurer Downgrade

In accordance with the terms of each Reimbursement Agreement, if an Insurer Event of Default or an Insurer Downgrade Event shall have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with the Ordinance, thereby causing the Insurance Policy to terminate in accordance with the terms of the Cancellation Agreement. The City and the Bank shall take such action as may be necessary or required to effect such termination pursuant to the Cancellation Agreement. So long as no Event of Default shall have occurred and be continuing, upon the termination of the Insurance Policy the City shall cause the Remarketing Agent to use its best efforts to remarket all tendered Bonds at the earliest date possible pursuant to the terms of the Ordinance; *provided that*, if after the Bonds have been called for mandatory tender by the Paying Agent but prior to the remarketing of such Bonds an Event of Default shall have occurred and be continuing, the Bonds shall only be remarketed with the written consent of the Bank and the Bank may at its sole discretion pursue any of its rights or remedies pursuant to this Agreement.

If an Insurer Event of Default or an Insurer Downgrade Event shall have occurred and be continuing and, in either case, an Event of Default shall also have occurred, the Bank may give written notice to the Paying Agent, with a copy to the City and the Tender Agent, of the occurrence of such Insurer Event of Default or Insurer Downgrade Event, as applicable, and such Event of Default, direct the Paying Agent to cause a mandatory tender of all of the Bonds in accordance with the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

Mandatory Tender upon Failure to Pay Letter of Credit Fee

If the City fails to pay the Letter of Credit Fee, the Bank may give written notice of such failure to pay to the Paying Agent, with a copy to the City and the Tender Agent, direct the Paying Agent to cause a mandatory tender of all the Bonds in accordance with the Ordinance, thereby causing the Letters of Credit to terminate on the sixteenth (16th) day following the Paying Agent's receipt of such notice.

See "CANCELLATION AGREEMENT" for a discussion regarding procedures for the cancellation of the Bond Policy.

The mandatory tenders of the Series 2005 Bonds described above in paragraph (a) under "REIMBURSEMENT AGREEMENT - Rights and Remedies", and described above under "REIMBURSEMENT AGREEMENT - Mandatory Tender upon Insurer Event of Default or Insurer Downgrade" and "REIMBURSEMENT AGREEMENT - Mandatory Tender upon Failure to Pay Letter of Credit Fee", are in addition to the mandatory tender provisions described in APPENDIX E under the heading "Mandatory Tenders".

CANCELLATION AGREEMENT

The Bank, the City, Wells Fargo Bank, National Association, as paying agent and tender agent (the "Agent"), and AGM will execute and deliver a Second Amended and Restated Insurance Policy Cancellation Agreement, dated as of June 1, 2014 (the "Cancellation Agreement"), which is expected to be delivered on or before the Tender Date. Should the conditions occur that are described above in either paragraph (a) of "REIMBURSEMENT AGREEMENT - Rights and Remedies" or the first paragraph under "REIMBURSEMENT AGREEMENT - Mandatory Tender upon Insurer Event

of Default or Insurer Downgrade”, the Bank may provide written notice (the “Notice”) to the City, the Agent and AGM of the exercise of their right granted under the Cancellation Agreement to direct the cancellation of the Bond Policy to occur on the sixteenth (16th) day following the Agent’s receipt of the Notice (the “Cancellation Date”), and the Agent shall take steps to effect the mandatory tender of the Series 2005 Bonds. In the Cancellation Agreement, the Bank agree that they will not direct the Agent to draw upon the Bond Policy, and the Agent agrees that it will not draw upon the Bond Policy, after the Bank have delivered the Notice.

Upon the mandatory tender of the Series 2005 Bonds, in connection with any remarketing of the Series 2005 Bonds on and after the Cancellation Date, a disclosure document will be delivered to prospective holders of the Series 2005 Bonds that states prominently that the Bond Policy is no longer in effect with respect to the Series 2005 Bonds and the City will file with the MSRB (as herein defined) on or as of the Cancellation Date disclosing that the Bond Policy is no longer in effect with respect to the Series 2005 Bonds.

Should AGM have made payments, directly or indirectly, on account of principal of or interest on Series 2005 Bonds to any holder of the Series 2005 Bonds (the “Holder”) prior to the Cancellation Date, AGM will be (a) subrogated to the rights of the Holder to receive the amount of such payment from the City, as provided and from the sources listed in the Ordinance and the Series 2005 Bonds, and (b) deemed the Holder of such Series 2005 Bonds for all purposes under the Ordinance, including, without limitation, the direction of remedies, the voting or giving consent with respect to remedies and other actions or inactions of the Agent or the City that may require voting or consent, and the filing of proofs of claim and other indicia of ownership in any insolvency proceeding. AGM also will be entitled to receive the amount of principal and interest as provided in the Ordinance and the Series 2005 Bonds, and the parties to the Cancellation Agreement will otherwise treat AGM as the owner of such rights to the amount of such payment.

In connection with the issuance of the Series 2005 Bonds, a debt service reserve policy (the “Reserve Policy”) was issued, and AGM is obligated under the terms of the Reserve Policy to make payments in the event conditions specified in the Ordinance occur which would result in a draw being necessary to pay debt service on the Series 2005 Bonds. The Cancellation Agreement provides that upon the cancellation of the Bond Policy in accordance with the terms of the Cancellation Agreement (unless an Insurer Event of Default has occurred and is continuing), the Reserve Policy shall be cancelled by a date that is not more than three years after the Cancellation Date, and the City shall (i) beginning with the first full calendar month following the Cancellation Date, commence funding on a monthly basis an amount sufficient so that the Debt Service Reserve Fund Requirement established pursuant to the Ordinance in support of the Series 2005 Bonds is established (without giving effect to the Reserve Policy) by the date that is three years after the Cancellation Date and (ii) restore any draw on the Debt Service Reserve Fund established pursuant to the Ordinance from over a period of no more than eighteen (18) months as required by the Ordinance. The City further agrees in the Cancellation Agreement not to issue any Additional Revenue Bonds payable from the Reserve Policy.

SWAP MANAGEMENT AGREEMENT

In connection with the issuance of the Series 2005 Bonds, the City entered into an interest rate swap agreement with Morgan Stanley Capital Services, Inc., as “Counterparty” (see “CREDIT AGREEMENT”). A financial guaranty insurance policy (the “Swap Policy”) was issued relating to the swap transaction entered into by the City with the Counterparty (the “Swap Transaction”), and AGM is obligated to make certain payments under the Swap Policy in relation to certain events occurring with respect to the Swap Transaction. The City and AGM, in connection with the substitution of the Letters of Credit for each Sub-Series of the Series 2005 Bonds, have entered into a Second Amended and Restated Agreement Regarding Insured Swap Transaction (the “Swap Management Agreement”), in which the City may be required to terminate the Swap Policy if the Bond Policy is cancelled under the terms of the Cancellation Agreement. In the Swap Management Agreement, upon the termination of the Bond Policy pursuant to the Cancellation Agreement, the City shall provide AGM with (i) on a monthly basis, a statement of the estimated aggregate mark-to-market value of the Swap Transaction and (ii) notice at such time, if any, as the aggregate mark-to-market value of the Swap Transaction is negative \$100,000 or an amount more favorable to the City within two (2) Business Days of that being the case. Unless AGM directs or agrees otherwise, not later than the earlier of (a) ten (10) Business Days after the first date on which the estimated aggregate mark-to-market value of the Swap Transaction payable by the City is zero or on which such estimated aggregate mark-to-market value is positive to the City and (b) three (3) years of the date of the cancellation of the Bond Policy pursuant to the Cancellation Agreement, the City shall do one of the following: (1) designate an early termination date, or other optional termination, with respect to the Swap Transaction, or (2) deliver to AGM the original Swap Policy together with an instrument from the Counterparty satisfactory to AGM deeming the Swap Transaction to no longer be insured and releasing AGM from all further liability under the Swap Policy. **The Swap Management Agreement does provide, however, that the City and AGM agree that in the event the Bond**

Policy is cancelled as a result of the occurrence of an Insurer Event of Default, the City shall not be obligated to perform its obligations described in the immediately preceding sentence.

The following information is not complete and reference is made to APPENDIX E of the 2008 Remarketing Memorandum. No representation is made by the City, its Financial Advisor, the Remarketing Agent or the Bank as to the accuracy or completeness of this information.

Any downward revision or withdrawal of any of the above ratings, the assignment of a negative outlook to such ratings or the placement of such ratings on a negative watch list may have an adverse effect on the market price of any security guaranteed by AGM. AGM only guarantees scheduled principal and scheduled interest payments payable by the issuer of bonds insured by AGM on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the relevant insurance policy), and does not guarantee the market price or liquidity of the securities it insures, nor does it guarantee that the ratings on such securities will not be revised or withdrawn.

Current Financial Strength Ratings

CREDIT AGREEMENT

In addition to the payment obligations of the City under the terms of the Reimbursement Agreement, in conjunction with the original delivery of the Series 2005 Bonds, and pursuant to the Ordinance, the City entered into an Interest Rate Swap Agreement (the "Interest Rate Swap Agreement") with Morgan Stanley Capital Services, Inc. (the "Counterparty"), pursuant to which the City is obligated to make payments to the Counterparty calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2005 Bonds and a fixed interest rate of 4.051% per annum, and the Counterparty is obligated to make reciprocal payments to the City calculated on a notional amount equal to the scheduled outstanding principal amount of the Series 2005 Bonds and a variable rate equal to the 71% of the one-month London Interbank Borrowing Rate (LIBOR) for U.S. deposits. Payments under the Interest Rate Swap Agreement will be made on a net basis on the first day of each month, commencing in October 2008 and ending in November 2025. Interest on the Series 2005 Bonds is determined in a manner that differs from the LIBOR index used to calculate amounts payable to the City under the terms of the Interest Rate Swap Agreement. On the effective date of the Interest Rate Swap Agreement, the Counterparty was rated "Aa3" by Moody's, "AA-" by S&P and "AA-" by Fitch. Payments to

be made by the City, if any, under the terms of the Interest Rate Swap Agreement (other than a "termination payment" as discussed below) are on a parity with the City's obligation to pay principal and interest on the Series 2005 Bonds. Arrangements made in respect of the Interest Rate Swap Agreement do not alter the City's obligation to pay principal of and interest on the Series 2005 Bonds and the obligations of the City under each Reimbursement Agreement. As of May 1, 2014, the net aggregate monthly payments the City has made under the Interest Rate Swap Agreement equal (\$58,971,055).

If either party to the Interest Rate Swap Agreement commits an event of default, suffers a reduction in credit worthiness, or merges with a materially weaker entity, or in certain other circumstances, the Interest Rate Swap Agreement may be terminated at the option of the other party. Accordingly, no assurance can be given that the Interest Rate Swap Agreement will continue in existence until November 2025. If the Interest Rate Swap Agreement is terminated, then current market conditions will determine whether the City will owe a termination payment to the Counterparty or be entitled to receive a termination payment from the Counterparty. Such termination payment generally would be based on the market value of the Interest Rate Swap Agreement on the date of termination and could be substantial. In addition, a partial termination of the Interest Rate Swap Agreement could occur to the extent any Series 2005 Bonds are redeemed pursuant to the City exercising its right to effect an optional redemption of the Series 2005 Bonds. If such optional redemption were to occur, termination payments related to the portion of the Interest Rate Swap Agreement to be terminated will be owed by either the City or the Counterparty, depending on the existing market conditions. The obligation of the City to pay a termination payment to the Counterparty could result in the City issuing Additional Revenue Bonds or Subordinate Obligations (each as defined in the Ordinance) to enable the City to make such a termination payment.

The City's obligation to make scheduled payments under the Interest Rate Swap Agreement is insured by AGM under the terms of the Swap Policy issued in 2005. Any termination payment the City may become obligated to pay under the terms of the Interest Rate Swap Agreement is not covered by the Swap Policy. See "SWAP MANAGEMENT AGREEMENT" for a discussion of events that could result in the termination of the Swap Policy.

THE REMARKETING AGENT

Effective June 9, 2009, Morgan Stanley & Co. Incorporated became the sole Remarketing Agent for the Series 2005 Bonds. The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing Series 2005 Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Remarketing Agreement), all as further described herein. The Remarketing Agent is appointed by the City and is paid by the City for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential holders of Series 2005 Bonds.

The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, at its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered Series 2005 Bonds (e.g., because there otherwise are not enough buyers to purchase Series 2005 Bonds), or for other reasons. However, the Remarketing Agent is not obligated to purchase Series 2005 Bonds, and may cease doing so at any time without notice. The Remarketing Agent may also make a market in the Series 2005 Bonds by routinely purchasing and selling Series 2005 Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. The Remarketing Agent is not required, however, to make a market in the Series 2005 Bonds. The Remarketing Agent may also sell any Series 2005 Bond it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Series 2005 Bonds. The purchase of Series 2005 Bonds by the Remarketing Agent may cause the interest rate to be lower than it would be if the Remarketing Agent did not purchase Series 2005 Bonds and may create the appearance that there is greater third party demand for the Series 2005 Bonds in the market than is actually the case. The practices described above also may result in fewer Series 2005 Bonds being tendered in a remarketing.

Pursuant to the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of Series 2005 Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable Rate Determination Date (as defined in the Ordinance). The interest rate will reflect, among other factors, the level of market demand for the Series 2005 Bonds (including whether the Remarketing Agent is willing to purchase Series 2005 Bonds for its own account). The purchase of Series 2005 Bonds by the Remarketing Agent may cause the interest rate to be lower than it would be if the Remarketing Agent did not purchase Series 2005 Bonds. There may or may not be Series 2005 Bonds tendered and

remarketed on a Rate Determination Date, the Remarketing Agent may or may not be able to remarket any Series 2005 Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Series 2005 Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent, in its sole discretion, may offer Series 2005 Bonds on any date, including the Rate Determination Date, at a discount to par to some investors.

The Remarketing Agent may buy and sell Series 2005 Bonds other than through the tender process. It is not obligated, however, to do so and may cease doing so at any time without notice and may require holders that wish to tender their Series 2005 Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Series 2005 Bonds other than by tendering the Series 2005 Bonds in accordance with the tender process.

Under certain circumstances, the Remarketing Agent may be removed or has the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Remarketing Agreement. In the event there is no Remarketing Agent, the Paying Agent/Registrar may assume such duties as described in the Ordinance.

RATINGS

The Series 2005 Bonds currently have an underlying rating of "A" from S&P. S&P has assigned the Sub-Series 2005-1 Bonds, the Sub-Series 2005-2 Bonds, the Sub-Series 2005-3 Bonds and the Sub-Series 2005-4 Bonds the rating of "___/___" based on the Letters of Credit provided by SMBC.

The Bank have furnished certain information and material to the rating agencies concerning themselves and the Letter of Credit, which are not included in this Information Circular.

The Series 2005 Bonds were also rated "AA-" (stable outlook) by S&P as a result of the municipal bond insurance policy of the Insurer. See "BOND INSURANCE - Current Financial Ratings" for a description of the current state of the financial guaranty insurance industry and information regarding downgrading and negative changes to the ratings outlook of multiple financial guaranty insurers, including the Insurer. Going forward, the long-term ratings on the Series 2005 Bonds will reflect the higher rating of the Insurer or the joint rating of the City and the provider of the respective Letters of Credit. The short-term ratings on the Series 2005 Bonds solely reflect the respective short-term rating of the Bank providing the Letter of Credit in support of each Sub-Series of the Series 2005 Bonds.

The ratings described above reflect only the views of S&P, and any explanation of the significance of the ratings may be obtained only from S&P. There is no assurance that any of the ratings will continue for any given period of time or that any rating may not be lowered or withdrawn if, in the judgment of a rating agency, circumstances so warrant. Any such downward change in or withdrawal of the rating may have an adverse effect on the secondary market prices of the Series 2005 Bonds.

The City files periodic reports and other information regarding the Airport System with the Municipal Securities Rulemaking Board (the "MSRB"). These reports and information are available free of charge from the MSRB via the Electronic Municipal Market Access system ("EMMA") at www.emma.msrb.org.

This Information Circular "incorporates by reference" the information regarding the Airport System the City files with the MSRB, which means that important information is disclosed to you by referring you to those documents. The information regarding the Airport System incorporated by reference is an important part of this Information Circular. The information incorporated by reference includes the City's annual report for the fiscal year ended September 30, 2013, including the consolidated financial statements and consolidating schedules and Management Discussion and Analysis of Financial Condition and Results of Operations that are a part thereof, as well as any filing

made by the City in the future. Certain information relating to the current operations and management of the Airport System is set forth below under " - Airport System".

Any statement incorporated or deemed to be incorporated by reference will be deemed to be modified or superseded for purposes of this Information Circular to the extent that a statement contained in this Information Circular modifies or supersedes that statement.

Amendments to the Ordinance

On May 26, 2011, the City Council approved amendments to the Ordinance to effect certain changes in respect to the delivery of the Letters of Credit in 2011 including, without limitation, providing for the mandatory tender of the Series 2005 Bonds in connection with the cancellation of the Bond Policy. See APPENDIX D to this Information Circular.

Several of the amendments to the Ordinance relate to the Bond Insurer and the Bond Policy. With respect to claims under the Bond Policy and payments by and to the Bond Insurer, if by 12:00 noon, New York City time, on the Business Day prior to the related scheduled interest payment date or principal payment date (each, a "Payment Date"), there is not on deposit with the Paying Agent/Registrar, after making all transfers and deposits required under the Ordinance (including drawing on any Direct-Pay Credit Facility), moneys sufficient to pay the principal of and interest on the Series 2005 Bonds (other than Bank Bonds and Series 2005 Bonds paid by the Banks, as provided for below) due on a Payment Date, the Paying Agent/Registrar shall make a claim under the Bond Policy and give notice to the Bond Insurer and to its designated agent (if any) (the "Bond Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency, including allocation of such deficiency between the amount required to pay interest on the Series 2005 Bonds and the amount required to pay principal of the Series 2005 Bonds, confirmed in writing to the Bond Insurer and the Bond Insurer's Fiscal Agent by 1:00 p.m., New York City time, on such Business Day by filling in the Notice of Claim and Certificate delivered with the Bond Policy.

In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Paying Agent/Registrar shall authenticate and deliver to affected owners of Series 2005 Bonds who surrender their Series 2005 Bonds new Series 2005 Bonds in an aggregate principal amount equal to the unredeemed portion of the Series 2005 Bonds surrendered. The Paying Agent/Registrar shall designate any portion of payment of principal on Series 2005 Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2005 Bonds registered to the then current owner, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2005 Bond to the Bond Insurer, registered in the name of Assured Guaranty Municipal Corp. in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent/Registrar's failure to so designate any payment or issue any replacement Series 2005 Bond shall have no effect on the amount of principal or interest payable by the City on any Series 2005 Bond or the subrogation rights of the Bond Insurer.

The Paying Agent/Registrar shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (hereinafter defined) and the allocation of such funds to payment of interest on and principal paid in respect of any Series 2005 Bonds. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent/Registrar.

Upon payment of a claim under the Bond Policy the Paying Agent/Registrar shall establish a separate special purpose trust account for the benefit of the Bondholders (the "Policy Payments Account") and over which the Paying Agent/Registrar shall have exclusive control and sole right of withdrawal. The Paying Agent/Registrar shall receive any amount paid under the Bond Policy in trust on behalf of the Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for the purpose of making payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent/Registrar to Bondholders in the same manner as principal and interest payments are to be made with respect to the Series 2005 Bonds. Amounts held by the Paying Agent/Registrar in the Policy Payments Account shall not constitute Gross Revenues or Net Revenues under the Ordinance. Notwithstanding anything to the contrary otherwise set forth in the Ordinance, and to the extent permitted by law and subject to appropriation thereof by the City from the Debt Service Fund, in the event amounts paid under the Bond Policy are applied to claims for payment of principal of and interest on the Series 2005 Bonds, interest on such principal and interest shall accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank or its successor at its principal office in The City of New York, as its prime or base lending rate plus 3%, and (ii) the then applicable rate of interest on the Series 2005 Bonds provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or

similar laws limiting interest rates.

Funds held in the Policy Payments Account shall not be invested and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent/Registrar. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Bond Insurer.

Airport System

The 2008 Remarketing Memorandum describes the financial information and statistical data the City has agreed to update on an annual basis, and as noted in "General" above, that information is incorporated by reference into this Information Circular. The following information relating to the Airport System updates certain narrative information that was contained in the 2008 Remarketing Memorandum.

General

The Airport System is comprised of airport, heliport and aviation facilities or any interest therein owned, operated or controlled in whole or in part by the City and includes the Airport (also referred to as "ABIA"), but expressly excludes any heliport or heliports operated by City Departments other than the Aviation Department. ABIA is classified by the Federal Aviation Administration ("FAA") as a medium hub airport. According to Airports Council International, ABIA is the 36th largest airport in the United States based on calendar year 2012 total passengers.

The Airport's Five Year Capital Improvement Program beginning FY 2014, totaling \$391,152,377, is funded primarily from funds expected to be obtained from the issuance of general airport revenue obligations (89%), anticipated FAA and Transportation Security Administration grant funding (5%) and the balance to be funded from cash by Capital Fund contributions. The projects for the five year program fall into four categories: Airfield/Apron - \$35,139,000; Terminal - \$211,795,001; Parking and Roadways - \$121,370,000; and Capital Equipment/Vehicles and IT projects - \$22,848,376.

The Department of Aviation has entered into use and lease agreements with the seven major airlines serving ABIA. The current agreements were effective October 1, 2009 and extend five years through September 30, 2014. Under current City ordinance, any airline that does not have a written agreement to operate at the Airport must pay landing fees equal to double the rate paid by carriers who do have an agreement.

Transfers from Airport Capital Fund to Airport Operations Fund

In Fiscal Year 2002 the Airport System began supplementing revenues available for the payment of operation and maintenance expenses and debt service through the transfer of funds from other available Airport sources, including specifically from the Airport Capital Fund. For the Fiscal Years ended September 30, 2002 through the Fiscal Year ended September 30, 2013, the Airport System transferred on average \$7.4 million annually to the Airport Operating Fund. As is the case with other airports around the country, Airport management continues to explore opportunities to increase non-airline generated revenues at the Airport (e.g., parking, concessions, real estate and other activities).

Set forth below is a table showing the actual and budgeted transfers to the Airport Operating Fund.

Austin-Bergstrom International Airport Transfer from Airport Capital Fund to Airport Operating Fund

Fiscal Year 2010	Fiscal Year 2011	Fiscal Year 2012	Fiscal Year 2013	Fiscal Year 2014
<u>Actual</u>	<u>Actual</u>	<u>Actual</u>	<u>Actual</u>	<u>Budgeted</u>
\$7,930,449	\$8,341,513	\$7,828,333	\$7,825,197	\$7,777,526

The transfers to the Airport Operating Fund enable the City to satisfy the rate covenant set forth in the Ordinance as well as satisfying the tests governing the issuance of additional revenue bonds.

Passenger Facility Charges

Application. Under the Aviation Safety and Capacity Act of 1990 (the "PFC Act"), as modified by the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century ("AIR-21"), the FAA may authorize a public agency to impose a Passenger Facility Charge ("PFC") of \$1.00, \$2.00, \$3.00, \$4.00 or \$4.50 on each passenger enplaned at any commercial service airport controlled by the public agency, subject to certain limitations. On December 20, 1994, the

Department of Aviation filed with the FAA a PFC application totaling \$337.8 million for funding a portion of the construction and the financing costs related to ABIA. The scope of the application, to impose and use a \$3.00 Passenger Facility Charge, included construction costs of a passenger terminal complex, airfield facilities, and landside facilities on a pay-as-you-go basis and the financing costs associated with these Passenger Facility Charge qualifying scopes of work. The FAA approved application number 95-03-C00-AUS on February 8, 1995 for a total of \$333,232,479. PFC collections authorized by this application began in August, 1995. Amounts totaling \$27.2 million, collections through September 1998, together with over collections posted on two earlier applications, were used towards the actual construction costs of the PFC qualifying scopes of work. Beginning October 1998, interest earned and Passenger Facility Charges collected were used for the debt costs associated with the Passenger Facility Charge qualifying scope of work. As of December 2013, PFC collections and interest earned on collections totaled \$252.1 million.

The Aviation Department received approval from the FAA in 2004 amending its current outstanding PFC application to an increase in (i) the PFC collection rate from \$3.00 to \$4.50, (ii) the total authorized collections to \$343,074,546, and (iii) the PFC eligibility amount of the debt service related to the original project funding for the construction of ABIA, effective April 1, 2004. In September 2004, the FAA approved the \$4,125,000 application to impose and use PFC revenue for the installation of the EDS machines and the associated baggage handling system. The proceeds of the Passenger Facility Charges currently imposed by the City are not part of the Net Revenues pledged by the City to the payment of revenue bonds, including the Series 2005 Bonds. In the Ordinance, however, the City covenants and agrees, for the benefit of the owners of revenue bonds, that during each Fiscal Year the City will set aside from any passenger facility charges imposed by the City on enplaned passengers the lesser of (i) such passenger facility charges imposed and collected by the City or (ii) \$4.50 derived from each passenger facility charge so imposed and collected by the City for the payment of debt service on the Prior Lien Bonds and the Revenue Bonds (each as defined in the Ordinance) in the following Fiscal Year, unless the City receives a report from an Airport Consultant showing that an alternative use of all or a portion of such passenger facility charges will not reduce the forecast coverage of Debt Service Requirements with respect to the Prior Lien Bonds and the Revenue Bonds by forecast Net Revenues during the following Fiscal Year (or such longer forecast period as may be covered in the Airport Consultant's Report) to less than 125%.

Sufficiency. The Airport System's ability to collect PFC revenues will vary depending on the actual number of passenger enplanements at ABIA. If the number of enplaned passengers at ABIA falls below projections, actual PFC revenues will fall short of projections. Such a shortfall in PFC collections could have an adverse affect on the timely payment of debt service on bonds secured by a pledge of PFC revenues. This adverse impact could be direct or indirect, if the PFC shortfall results in sufficient increases in landing fees as to impact negatively ABIA's desirability to the airline industry and thus ultimately impact the collection of landing fees at ABIA. While passenger traffic fell after September 11, 2001, and during the economic crisis of 2008 and 2009, traffic at the Airport has recovered resulting in enplanements returning to near record levels in 2011. There can be no assurance as to what passenger traffic, and ABIA revenues, will be in the future.

Availability. The authority to impose and use PFCs is subject to the terms and conditions of the PFC Act, AIR-21 and the related regulations thereto. Failure to comply with the requirements of applicable law, such as the failure to use PFCs strictly for approved PFC projects, may cause the FAA to terminate or reduce the Airport System's authority to impose and collect PFCs. In addition, notwithstanding FAA regulations requiring airlines to collect PFCs to account for PFC collections separately and indicating that those PFC collections are to be regarded as funds held in trust by the collecting airline for the beneficial interest of the public agency imposing the PFC, in the event of a bankruptcy proceeding involving a collecting airline, there is the possibility that a bankruptcy court could hold that the PFCs in the airline's custody are not to be treated as trust funds and that ABIA is not entitled to any priority over other creditors of the collecting airline as to such funds. Also, there is no assurance that the PFC Act, AIR-21, or any other relevant legislation or regulation will not be repealed or amended to adversely affect the Airport System's ability to collect PFCs. The occurrence of any of these events could have an adverse impact on the timely payment of debt service on bonds secured in part by the pledge of PFCs.

No assurance can be given that PFCs will actually be received in the amount or at the time contemplated by the City, or that the Airport System will collect such PFC revenues in amounts or at times sufficient to pay debt service. The amount of actual PFC revenues collected, and the rate of collection, will vary depending on the actual levels of qualified passenger enplanements at ABIA, and will not necessarily correlate in any way to the debt service requirements of the bonds or other obligations issued for the Airport System to which PFC revenues have been pledged. Regardless of the amount of PFC revenues, the City will be able to apply such revenues to pay debt service only to the extent the City applied bond proceeds to pay the costs of PFC approved projects described in the PFC application that was authorized

by the FAA. In addition, the FAA may terminate ABIA's ability to impose PFCs, subject to formal and informal procedural safeguards, if (1) ABIA fails to use its PFC revenues for approved projects in accordance with the FAA's approval, the PFC Act or the regulations promulgated thereunder, or (2) ABIA otherwise violates the PFC Act or regulations.

General Factors Affecting Air Carrier Revenues. The revenues of both the Airport System and the airlines serving ABIA may be materially affected by many factors including, without limitation, the following: declining demand; service and cost competition; mergers; the availability and cost of fuel and other necessary supplies; high fixed costs; high capital requirements; the cost and availability of financing; technological changes; national and international disasters and

hostilities; the cost and availability of employees; strikes and other employee disruptions; the maintenance and replacement requirements of aircraft; the availability of routes and slots at various airports; litigation liability; regulation by the federal government; environmental risks and regulations; noise abatement concerns and regulation; deregulation; federal and state bankruptcy and insolvency laws; acts of war and terrorism; world health concerns such as the outbreak of SARS; and other risks. Many airlines, as a result of these and other factors, have operated at a loss in the past and several have filed for bankruptcy, ceased operations and/or have merged with other airlines. Historically, the airline industry's results have correlated with the performance of the economy. The September 11, 2001 attacks, the wars in the Middle East and their aftermath have resulted in a further adverse effect on airline industry earnings. Several major carriers filed for federal bankruptcy protection, including US Airways (twice), Delta, Northwest, and United. Each of these major carriers successfully reorganized under Chapter 11. Vanguard Airlines also sought federal bankruptcy protection but ceased to operate. On November 29, 2011, American Airlines and its parent corporation, AMR Corporation, filed for federal bankruptcy protection. On December 9, 2013 American Airlines emerged from bankruptcy and completed its merger with U.S. Airways. It is possible that the merged entity may seek to consolidate its space at the Airport by reducing the amount of gate, ticket counter, office and operations space it rents from the Department of Aviation. There have been no meaningful discussions regarding reducing space at the airport as yet. We estimate any reduction in space will be minimal. While this may result in some slightly reduced rental income, it will also make it easier for the Airport to attract new entrants, who may have been deterred by a lack of available space in the Barbara Jordan Terminal.
