Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Traffic conditions, pedestrian routes, and proximity to Jaime Padron Elementary School were evaluated on West Rundberg Lane by the Austin Transportation Department to determine if modifications were appropriate to improve the safety for the students attending Jaime Padron Elementary School. Based on this investigation, the Austin Transportation Department recommends adding the following amendment to City Code Section 12-4-64(D) (Table of Speed Limits):

Add: West Rundberg Lane from 505 feet south of Metric Boulevard to 1,300 feet south of Metric Boulevard. (20 MPH Speed Limit).
