

BCCP Substitution Process Workshop
August 27, 2014

Goal: Initiate a dialog between BCCP stakeholders that will result in a recommendation to the BCCP Coordinating Committee for a process they can adopt as policy for substitution of caves required to be protected by BCCP.

Process: Collaborative planning with consensus based decisions.

Who: BCCP Partners, advisory committee members and staff(s). Public involvement through Advisory Committees and Coordinating Committee.

When: Make a recommendation to the Coordinating Committee during their winter 2015 regular meeting.

Today's Agenda

1. Introductions
2. Discuss and find consensus regarding goals, process, participants, and timeline
3. What are the needs that this process must address – Brainstorming
4. What are the appropriate components of a substitution process – Brainstorming
5. Develop next steps
6. Adjourn
