RESTRICTIVE COVENANT TERMINATION REVIEW SHEET

CASE: C14-93-0134(RCT)  P.C. DATE: July 8, 2014
Forest Park Apartments

ADDRESS: 1088 Park Plaza  AREA: 23.83 Acres

OWNER/AGENT: Strategic Housing Finance Corporation of Travis County (Craig Alter)

NEIGHBORHOOD PLAN AREA: Heritage Hills

DESIRED DEVELOPMENT ZONE: Yes

WATERSHED: Little Walnut Creek  SCENIC ROADWAY: No

CAPITOL VIEW CORRIDOR: No  TIA: N/A

SUMMARY STAFF RECOMMENDATION:
Staff recommends granting the restrictive covenant termination request.

PLANNING COMMISSION RECOMMENDATION:
July 8, 2014: RECOMMEND GRANTING THE RESTRICTIVE COVENANT TERMINATION REQUEST, ON CONSENT (8-0-1) [S. Oliver- 1st, J. Nortey- 2nd, J. Stevens- Absent]

ISSUES:
The property was rezoned from SF-3 to MF-3-CO-NP and RR-CO-NP in 1993. As was common at the time, a restrictive covenant (RC) was filed with the rezoning to require an Integrated Pest Management Program (IPM) Plan be filed at time of site plan. An IPM Plan was filed with the site plan for Forest Park Apartments, which was approved and permitted in 1996. Approval of this site plan indicates that the conditions of the RC were satisfied, and a letter from City Staff affirming this is attached (Exhibit A- Staff Correspondence). No rezoning or site plan is proposed with the current application.

DEPARTMENT COMMENTS:
The subject property is located at the terminus of Park Plaza Drive, east of North Plaza, and is zoned MF-3-CO-NP, RR-CO-NP. The property is developed with the Forest Park Apartments. West of the property is another multifamily property that is zoned MF-3-NP, as well as Fiskville Cemetery, which is zoned SF-3-NP. North of the subject property is Gus Garcia Park, which is zoned P-NP. A mobile home community, zoned MH-NP, is located to the east, and Little Walnut Creek is to the south. The creek floodplain is zoned with P-NP, RR-CO-NP, and SF-3-NP, and includes North Acres Park. A tributary of Little Walnut Creek also crosses the northeastern corner of the subject property, and is the portion zoned RR-CO-NP. Please refer to Exhibits B and C (Zoning Map and Aerial View).

The property was rezoned in 1993 with City File # C14-93-0134, establishing the MF-3-CO-NP and RR-CO-NP designations listed above. A restrictive covenant (RC) was filed with the rezoning to require an Integrated Pest Management Program (IPM) Plan be filed at time of site plan because of the nearby floodplain of Little Walnut Creek and its tributary. Please refer to Exhibit D (Restrictive Covenant). A portion of the property was rezoned from RR-CO-NP to MF-1-CO-NP in 1995 with City File # C14-95-
0014 so the property could provide access from Park Plaza Drive (access through RR zoning to multifamily is not permitted). The IPM requirement was not affected by the 1995 rezoning.

An IPM Plan was filed with the site plan for Forest Park Apartments under City File # SP-95-0274C, which was approved and permitted March 1, 1996. Approval of this site plan indicates that the conditions of the RC were satisfied. No rezoning or site plan is proposed with this application. In July 2013, City Staff verified that all requirements of the RC have been (Exhibit A- Staff Correspondence).

Forest Park Apartments
1088 Park Plaza

To Whom It May Concern:

The property at 1088 Park Plaza [LOT 1 BLK A * LESS .5582AC WINDCREST PARKSIDE SUBD] also known as Forest Park Apartments was subject to a Restrictive Covenant recorded in vol. 12097, pg. 142 of the Real Property Records of Travis County, Texas which required the developer to prepare and submit an Integrated Pest Management Plan to appropriate City of Austin environmental review staff at the time of site plan submittal.

The existing multi-family residential development was authorized by site plan SP-95-0274C, approved 03/01/1996. Approval of this site plan indicates that the conditions of the agreement outlined in this Restrictive Covenant were satisfied.
