

Counsel, the Texas Department of Transportation offered to sell the 75-acre property located at the intersection of 45th Street and Bull Creek Road to the City in accordance with Texas Transportation Code Section 202.021. This property could be used for ~~commercial~~ ^{commercial but also many} municipal purposes such as, but not limited to, parks and recreation, streets and roads, fire, police and EMS, library, drainage and flood control, and municipal utilities. ^{as well as economic development} I move that the City express its interest in acquiring the property, as requested by TxDOT in its letter dated July 30, 2014, by approving a modified version of the resolution for Item 14. Specifically I move to amend Section 1 to read as follows: "The City Manager is directed to negotiate with TxDOT regarding the acquisition of the Property in an amount not to exceed \$28,900,000"; and to delete Section 2 in its entirety.
