City Council Meeting

September 25, 2014

**INSURANCE PROVISION**

I move to amend Part 2 Section (B)(1) the proposed ordinance to add the word "primary" to commercial automobile insurance as follows:

**PART 3. TNC OPERATION.**

- (B) A TNC must enter into an agreement with the City that includes the following provisions.
- (1) TNC will provide primary commercial automobile liability insurance with a minimum combined single limit of \$1 million for each occurrence of bodily injury and property damage for accidents involving TNC vehicles in transit, beginning with the time that the TNC driver accepts a trip request on the TNC's digital network, or during the accepted trip, and ending when the with the time that the TNC driver accepts a trip request on the TNC's digital network, or during the accepted trip, and ending when the rider departs the vehicle, naming the City of Austin as an additional insured. The policy shall be accompanied by a commitment from the insurer that such policy will not be cancelled or coverage reduced without at least 30 days' notice.
