## Additional Backup Information

The City of Austin FM 812 Landfill annexation area (approximately 412 acres) is located in southeastern Travis County at the southwest corner of the intersection of Burleson Road and FM 973. This area is currently in the City's extraterritorial jurisdiction and is adjacent to the City's full purpose jurisdiction on the north side of the tract. Infrastructure improvements associated with the Austin [re]Manufacturing Hub are scheduled to be completed by fall 2015. In addition to the City's eco-industrial park, the tract includes five privately owned parcels that total 12.4 acres and are currently used for residential (mobile home) and commercial (small grocery store) purposes.
