Additional Backup Information

In related items on the November 6, 2014 agenda, Council will consider approval of the South Congress Preservation and Improvement District (PID) 2015 Service Plan and Budget, setting the assessment rate for the PID (proposed at the rate of \$0.20 per \$100 valuation), and approval of the proposed 2015 assessment roll. The proposed 2015 assessment rate at \$0.20 per/\$100 valuation is estimated to produce \$77,825 at a 90% collection rate. Assessments on real property fund the PID services.

State law requires a public hearing by Council to consider the proposed assessments. This action would set the public hearing on the South Congress PID 2015 assessments for November 20, 2014. Approval of the assessment rate and proposed roll on November 6, 2014 allows notices to be sent to property owners, giving them an opportunity to review the property valuations prior to the public hearing. Property owners have a right to challenge their assessment at the hearing. At the hearing, the Council must hear and pass on any objection, made orally or in writing, to any proposed assessment, prior to approval of the ordinance levying assessments and setting the method of collection and the rate of interest for late payments.
