

Existing Code language, for reference regarding item 3c:

§ 15-6-11 - COLLECTION SERVICE

- (A) The department shall make collection service available to all premises in the city.
- (B) The department shall charge the fee prescribed by the city council for the service.

§ 15-6-13 - PRIVATE COLLECTION SERVICE

- (A) The director may require a person to obtain private collection service, if the director determines that the person or property under control of the person cannot be adequately served by the City.
- (B) The owner or other person in charge of a property subject to this chapter may decline collection service through a written agreement with the City. The department may not charge for collection service at the affected property while the agreement is in effect.
- (C) The department may not charge a person who obtains private collection service under this section.
