The Owners covenant and agree not to use the Property for any use other than for agriculture, wildlife management, and/or timber management, and related incidental activities (including any existing residential structure and any additional or supplemental residential structure occupied by a person or persons administering the permitted uses of the Property) consistent with Chapter 23 of the Texas Tax Code without prior written consent of the City.
- B. The Owners covenant and agree that the City's agricultural (AG) zoning requirements as enumerated in 25-2-621 of the City Code apply to the Property.

- D. The Owners covenant and agree not to construct, or allow to be constructed, any buildings on the Property that would require a building permit if the Property were in the city limits that is inconsistent with the City's agricultural (AG) zoning requirements.

## **ARTICLE III**

### **APPLICABLE ORDINANCES**

#### **Section 3.01 Applicable Requirements.**

- A. All of the City's laws, ordinances, manuals, and administrative rules, including but not limited to the Land Development Code, regarding land development, as amended from time to time, shall apply to subdivisions within the Property except as otherwise specified in this Agreement. Prior to full purpose annexation, subdivisions are subject to applicable regulations in Title 30 of the Land Development Code, and after full purpose annexation, subdivisions are subject to applicable regulations in Title 25 of Land Development Code. Property shall be developed in accordance with plats and other permit applications submitted to, and approved by, the City and Travis County through their Single Office for subdivision regulation, and as finally approved by the appropriate approval bodies.

- B. Owners hereby waive any and all claims under Section 43.002(a)(2) and Chapter 245 of the Texas Local Government Code that would otherwise exist by virtue of any actions Owners have taken in violation of Article II of this Agreement.
- C. Pursuant to Section 43.035(b)(1)(B) of the Texas Local Government Code, the City is authorized to enforce city regulations and planning authority that does not materially interfere with the use of the Property for agriculture, wildlife management, and/or timber management, in the same manner the regulations are enforced within the City's boundaries. The City specifically reserves its authority pursuant to Chapter 251 of the Texas Local Government Code to exercise eminent domain over property that is subject to a Chapter 43 and/or Chapter 212 development agreement.

#### **ARTICLE IV**

#### **ANNEXATION**

##### **Section 4.01 Annexation.**

- A. The parties intend that this Agreement guarantee the continuation of the extraterritorial status as herein set forth. The City guarantees the continuation of the extraterritorial status of the Property, its immunity from annexation by the City, and its immunity from City property taxes for the term of this Agreement, subject to the provisions of this Agreement. Except as provided in this Agreement, the City agrees not to initiate, pursue or perform an involuntarily annexation of the Property for the term of this Agreement.
- B. The Owners acknowledge that if (i) any plat or related development document is filed in violation of this Agreement, or (ii) the Owners commence development of the Property in violation of this Agreement, then in addition to the City's other remedies, such act will constitute a petition for voluntary annexation by the Owners, and the Property will be subject to annexation at the discretion of the City Council. The Owners agree that, if either condition B(i) or B(ii) occurs, such annexation shall be voluntary and Owners hereby consent to such annexation as though a petition for such annexation had been tendered by Owners.
- C. Owners and City agree that, upon the occurrence of either condition B(i) or B(ii) in Section 4.01(B), the City shall have the option, but not the obligation, to annex for full purposes pursuant to the terms of this Agreement. If the Property is annexed pursuant to the terms of this Agreement, then the City shall provide services to the Property pursuant to Chapter 43 of the Texas Local Government Code. Property voluntarily annexed pursuant to this Agreement may be required to have infrastructure improvements to facilitate development, including but not limited to, streets and roads, street and road drainage, land drainage, and water, wastewater, and other utility systems. Owners hereby acknowledge the provision of infrastructure improvements necessitated by proposed future

development shall be the sole responsibility of the Owners excluding, however, infrastructure improvements required as a result of the exercise of eminent domain or deed in lieu thereof.

- D. After full purpose annexation, all city ordinances, regulations and requirements applicable in the City's full purpose jurisdiction, including city taxation, shall apply to the area annexed. From the date of annexation until the Property is zoned, Property is designated in accordance with the zoning district provided for under City Code Section 25-2-222. During the term of this Agreement, the City shall not annex any part of the Property except as provided in this Article IV.

## **ARTICLE V**

### **LEGISLATIVE DISCRETION; REPRESENTATIONS AND WARRANTIES**

**Section 5.01 Legislative Discretion.** This Agreement is not intended to bind, and the parties agree in fact and law that the Agreement does not bind, the legislative discretion of the City Council to approve or disapprove any proposed annexation ordinance for the Property, subject to and in accordance with the provisions hereof.

**Section 5.02 Representations and Warranties of Owners.**

- A. **Organization and Good Standing.** Owners have full power and authority to conduct business as it is now being conducted, to own or use the properties and assets that they purport to own or use, and to perform all their obligations under this Agreement.
- B. **Authority; No Conflict.** This Agreement constitutes a legal, valid and binding obligation of Owners, enforceable against Owners in accordance with its terms. Owners have the absolute and unrestricted right, power, authority, and capacity to execute and deliver this Agreement and to perform their obligations under this Agreement.

**Section 5.03 Representations and Warranties of the City.**

- A. **Organization and Good Standing.** The City is a duly organized and validly existing municipal corporation in good standing under the laws of the State of Texas, with full power and authority to conduct its business as it is now being conducted, to own or use the properties and assets that it purports to own or use, and to perform all its obligations under this Agreement.
- B. **Authority; No Conflict.** This Agreement constitutes a legal, valid and binding obligation of the City, enforceable against the City in accordance with its terms. The City has the absolute and unrestricted right, power, authority, and capacity to execute and deliver this Agreement and to perform its obligations under this Agreement.

## ARTICLE VI

### **FRUSTRATION OF PURPOSE**

**Section 6.01 Frustration of Purpose.** If any word, phrase, clause, sentence, paragraph, section or other part of this Agreement is affected in whole or in part as a result of amendments to the underlying statutory authority for this Agreement, or a final judicial decree for which all appeals have expired or been exhausted, or if the Texas Legislature amends state law in a manner having the effect of limiting or curtailing any right or obligation of the parties under this Agreement, then the parties agree and understand that the purpose of this Agreement may be frustrated. In such case, the parties agree to work in good faith to amend this Agreement so that the purpose of this Agreement may be fully realized, including full purpose annexation if necessary. Owners agree not to protest annexation of the Property in accordance with this Agreement, and further agree not to sponsor or support legislation that would hinder the City's ability to annex any portion of the Property in accordance with the provisions hereof.

## ARTICLE VII

### **DEFAULT AND REMEDIES FOR DEFAULT**

**Section 7.01 Default.** It shall be a default under this Agreement by a party, if such party shall fail to perform any of its obligations under this Agreement and such failure shall remain uncured following the expiration of ten (10) business days after such party's receipt of written notice of the nature and extent of such failure. However, in the event the default is of a nature that cannot be cured within such ten (10) day period, the defaulting party shall have a longer period of time as may be reasonably necessary to cure the default in question, but in no event more than forty-five (45) days.

**Section 7.02 Remedies between the City and Owners.** Should any default between Owners and the City remain uncured after Notice to the other as provided in Section 8.04, and expiration of the cure period without the default being materially cured, the non-defaulting party, whether Owners or City, may pursue any remedy that is available at law or in equity at the time of breach.

**Section 7.03 Mediation.** In order to avoid unnecessary litigation, in the event either party fails to materially cure an alleged default within the cure period set out in Section 7.01 above, then if requested by either party, prior to seeking any form of relief from a court of law or agency of competent jurisdiction, each party agrees to enter into mediation concerning the alleged default for a period of not more than thirty (30) days prior to filing of any court action. Nothing in this Agreement shall be construed to limit the parties from mediating a default after any court or agency action may have been filed.

## ARTICLE VIII

**Section 8.02 Termination.** This Agreement may be terminated as to any or all of the Property only by express written agreement executed by the City and all of the then Owners of record of the Property. In the event this Agreement is terminated by mutual agreement of the parties or by its terms, the parties shall promptly execute and file of record in the Official Public Records of Travis County, Texas, a document confirming the termination of this Agreement, and such other documents as may be appropriate to reflect the basis upon which such termination occurs.
