## Additional Backup Information

During the Council Budget Adoption Reading on September 8, 2014, Council approved an increase of \$350,000 from Economic Development Department for the current Capital IDEA contract to increase capacity and childcare availability for workforce development clients.

Capital IDEA lifts working adults out of poverty and into living-wage careers through education. Capital IDEA serves the community by acting as a bridge, connecting committed, yet underemployed people to employers in need of

highly skilled workers. It funds qualified participants' tuition, books, childcare, and other assistance and works with them to find employment with good salaries, benefits and opportunity for career growth. Capital IDEA works with workforce partners to identify new career-driven curriculum needed to educate the next generation of workers.

Performance Measures, as well as contract exhibits, will be negotiated with the CAPITAL IDEA staff.
