Geography Report

City of Austin Independent Citizens Redistricting Commission

Final Plan, Approved November 18, 2013

Precincts listed include only the portions that are inside the City Boundary. For example Precinct T-102 (Travis 102) is split by the City Boundary. Only the portion that was inside the city boundary was considered during redistricting. It will be listed as a whole precinct in this report only if the entire portion which was inside the city boundary was assigned to a single district. If portions of the precinct was assigned to multiple districts, then the Census Blocks which make up the precinct are listed in the appropriate district.
