Human feces

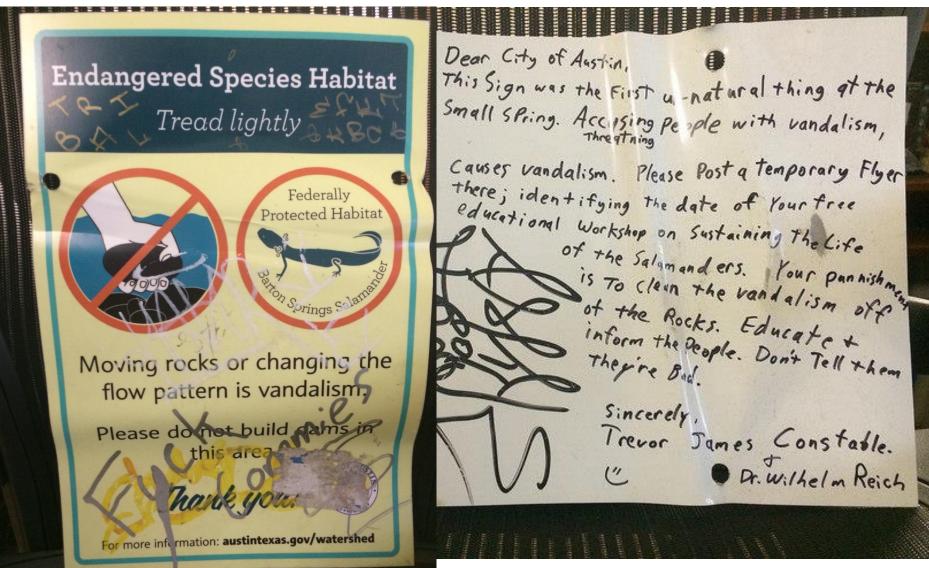

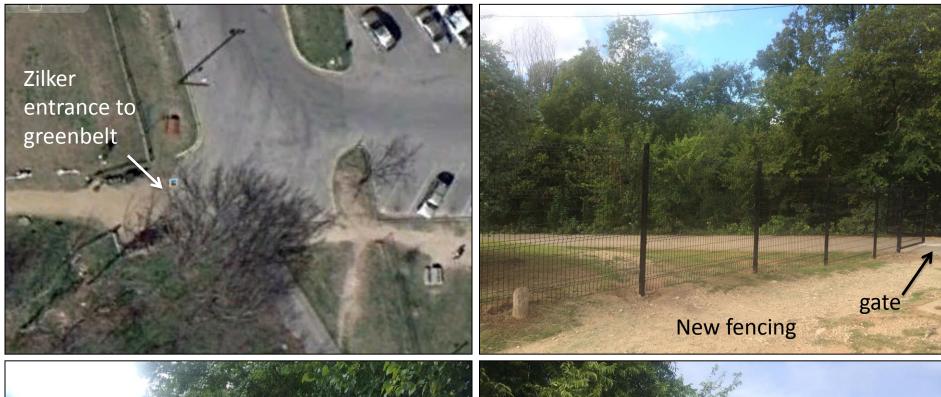

6.1 Measures to Minimize Impacts¹

- **6.1.1.6 The City will prohibit the following activities** to reduce harassment of *Eurycea sosorum* and *E. waterlooensis* and protect associated habitat:
- a. unauthorized, deliberate disturbance of salamander habitat, including substrate, aquatic vegetation, algae, and leaf litter or woody material,
- b. unauthorized, deliberate disturbance of flow regime

¹ City of Austin Habitat Conservation Plan for *Eurycea sosorum* and *E. waterlooensis*

Signage

Gravel Trap Dam

- constructed during bypass improvements (1976)
- Designed to prevent sediment and debris from entering bypass tunnel
- Does not serve its intended purpose
- Will be removed

Erosion from traffic across dam
