

B. Approval Criteria. The Residential Design and Compatibility Commission may, after a public hearing, approve a modification if it determines that the proposed development is compatible in scale and bulk with the structures in the vicinity of the development. In making this determination, the commission shall consider:

1. The recommendation of the neighborhood plan team, if any;
2. The development's:
 - a. Compliance with neighborhood design guidelines, if any;
 - b. Consistency with the streetscape of the properties in the vicinity;
 - c. Consistency with the massing, scale, and proximity of structures located on either side of or behind the development;
 - d. Impact on privacy of adjacent rear yards; and
 - e. Topography and lot shape
