TIGER Grant Opportunity

Transportation Investment Generating Economic Recovery (TIGER)

- Discretionary grant program offered by US DOT
- Highly Competitive
- Allows jurisdictions to avoid narrow, formula-based categories, and fund multi-modal, multi-jurisdictional projects not eligible for funding through traditional DOT programs.
- Pre-Application deadline **May 4, 2015.**
- Final application deadline **June 5, 2015**

TIGER Grant Opportunity

Transportation Investment Generating Economic Recovery (TIGER)

- Projects must deliver five long-term outcomes:
 - Safety
 - Economic Competitiveness
 - State of Good Repair
 - Livability
 - Environmental Sustainability
 - Contributions to Economic Recovery
 - Ability to facilitate innovation and new partnerships.
