Subject: Agenda Item Postponement

Mr. Rushhoven,

I would like to request a postponement of item 20, C14-2014-0150 Whiddon .85. - District 5. This is a first time request. Members of the neighborhood and I would to express our opinions to the council about this issue but are not able to attend this council meeting. I am located within 500 feet of the property. We are available for the April 23 meeting.

Respectably,

Brian Breeden

Hello Mr. Rusthoven,

Thanks for your phone call on Wednesday last week.

I would like to request a one-time postponement of the hearing on this item in order that I can attend the hearing. I will be out of town this Thursday.

I am also very interested in hearing the results of your discussion with Jim Bennet about the conditional overlays relative to the LO-MU zoning.

If Mr. Whiddon were to apply for LO (without MU) then there would be less need for the conditional overlays. Mr. Whiddon's stated intent is to use the building as an office, so the MU designation shouldn't be necessary for that purpose.

Thanks again,

David Roach

Subject: RE: Request for Postponement of Case #C14-2014-0150

Mr. Rusthoven:

Could you please grant a postponement of the above case as I will be out of town on Thursday, April 16th.

I want to be in attendance and will be able to be there on the 23rd.

Thank you,
