Additional Backup Information

The contract will provide maintenance and custodial services at Austin Water facilities including Waller Creek Center, Webberville Service Center, Glen Bell Service Center, East Service Center, North Service Center, Davis Water Treatment Plant, Travis Water Treatment Plant IV, and Govalle Training Center, as well as multiple future sites. The services have been performed by a contracted vendor for over 10 years. The last time an evaluation of these services being performed in house was done in May 2013.

The contractor shall provide all labor and equipment as well as most of the supplies necessary to perform daily maintenance and cleaning of all areas inside the buildings and around the immediate areas of the exterior of the

buildings. The daily duties include services such as light bulb replacement, hanging up fixtures such as pictures and dry erase boards, moving office furniture, disassembling and moving modular walls, HVAC filter replacement, cleaning and disinfecting restrooms, kitchens, and break rooms, emptying and collecting all waste containers, furniture cleaning and dusting as well as cleaning of all glass partitions, walls, doors inside and out and set-up of conference rooms. Additionally, the contractor shall provide maintenance and custodial services that are required on a monthly, quarterly, semi-annual and annual basis including but not limited to steam-cleaning all entry area rugs and mats as well as carpet, cleaning and polishing all marble floors and tiles, sweeping and mopping all stairways. The contractor will use Green Seal or EcoLogo certified products.

The contractor offers full time employees a benefits package which includes health, dental, vision and a retirement package. The living wage provision was addressed at the pre-bid meeting and has been confirmed by the contractor that they offer an amount that is not lower than the City's living wage.

The existing contracts will expire on April 30, 2015 and February 7, 2016.
