

### **M/WBE Summary**

Staff at the Small & Minority Business Resources Department reviewed the scope of work identified for the project and determined that the limited scopes did not have enough certified firms to warrant the establishment of MBE/WBE participation goals. The Small & Minority Business Resources Department determined that no goals are appropriate for this solicitation. Although no goals have been established for this solicitation, the firms were required to comply with the City's MBE/WBE Procurement Program if areas of subcontracting were identified.
