2. Determine if the board’s actions throughout the year comply with the mission statement.

(If any of the board’s actions were outside the scope of the mission statement, the report should explain the non-compliance issues.)

All actions of the CDC throughout the year complied with their mission statement.

3. List the board’s goals and objectives for the new calendar year.

(Make sure the goals and objectives fall within the mission statement of the board/commission.)

The CDC will continue to fulfill its core mission “to advise the Council in the development and implementation of programs designed to serve the poor and the community at large with emphasis of federally funded programs.”

The CDC’s goals and objectives for 2015 also correspond to one of Imagine Austin’s Guiding Principles to “develop as an affordable and healthy community.” This also includes the sixth Imagine Austin Priority Program: “household affordability throughout Austin.”

Some areas where the CDC will continue to work are:

CITY POLICY/PROGRAM AREAS

- **Preservation of low- and moderate-income housing.** Continue to work with stakeholders, non-profits, and other organizations to ensure the preservation of low- and moderate-income housing remains a City priority.
- **Image Austin Comprehensive Plan.** Continue to receive briefings, monitor the plan, and complete work as directed by Council.
- **CodeNEXT.** Continue to work with the City to ensure that affordable housing incentives and policies are given consideration in land development code update process.
- **Planned Unit Developments.** Continue to monitor and review revisions in the development of PUDs so that they include input for opportunities to include low-income housing.
- **Transit Oriented Districts.** Continue to monitor the development of TODs around Austin for opportunities to build low-income housing.

- **Vertical Mixed Use.** Continue to monitor the density bonus so that the correct amount of affordable housing is created.
- **Food Deserts.** The Neighborhood Centers Working Group will continue to work with EGRSO and HHSD to bring ideas and recommendations to the full CDC for consideration.
- **Rental Registry.** Continue to monitor the implementation of the pilot program. Continue to work with Code Compliance and others to develop a strategic policy for ensuring low- and moderate-income housing is maintained and remains safe for residents.
- **Tenant Relocation Policy.** Continue to work with the City, stakeholders, non-profits and others to develop a tenant relocation policy that ensures low-income residents that must relocate are given the needed resources and help to establish themselves in a new home.

CITY PLANNING INITIATIVES

- **Downtown Austin Plan.** Continue to receive briefings, monitor the plan, and complete work as directed by Council.
- **University Neighborhood Overlay (UNO).** Continue to work with the Planning Commission to forward recommendations as directed by Council.
- **East Riverside Corridor Plan.** The CDC will continue to monitor and participate in the development on this corridor plan especially as it pertains to the development of affordable housing.
- **Holly Good Neighbor Program.** Continue to work on the charge to discuss the future funding of the Holly Good Neighbor Program, how funds might be reallocated; and how to educate residents about the program.
- **Rainey Street Subdistrict.** Continue to work to initiate amendments to the City Code that are necessary to ensure affordable housing in the Rainey Street Subdistrict.
- **Housing Sighting Policy and Geographic Dispersion.** The CDC will continue to work on this issue as directed by Council.
- **Community Land Trusts.** The CDC will continue to monitor legislation for any changes in the creation of CLTs, and monitor the development of CLTs in Austin.
- **Homestead Preservation Districts.** The CDC will continue to monitor the impact of HB 3350 for any changes in the creation of CLTs, and monitor the development of CLTs in Austin.
