I move to amend by inserting "with the cost 100% financed by the employee choosing this additional coverage" immediately after "their families" in the "Be It Resolved" statement.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

The City Council hereby adopts the policy that Applied Behavioral Analysis should be provided for City employees and their families with the cost 100% financed by the employee choosing this additional coverage, and the City Manager is directed to incorporate Applied Behavioral Analysis benefits as part of the City employee benefits package in the Fiscal Year 2015-2016 proposed budget at a level that is similar to the coverage required of "health benefit plans" that are regulated by Section 1355 of the Texas Insurance Code, and could be considered a cap of 680 hours of ABA therapy annually.
