Subject: Leander ISD Application for an HAbitat Conservation Plan

Tanya

I understand from discussions at the CAC and from the Four Points News that Leander ISD has submitted an application for a Habitat Conservation Plan and draft plan for property currently covered by BCCP and its federal permit. I would like to obtain a copy of the application and draft plan in order to understand its implications for BCCP. Please forward a PDF version if its available. I can arrange to have a copy made if it is not available in PDF format.

Thanks
