Direction

Council Member Casar stated that part of Council's action taken last year required that the current new 10-1 Council reaffirm this position or change course because we will be signing the contract with Opticos very soon.

Recommendation:

The Committee unanimously approved the motion

To move forward and not slow down the process and recommend to Full Council on June 18, 2015 that we adopt a Resolution affirming Approach 2.5. Council Member Renteria moved to adopt and Mayor Pro Tem Tovo second with Council Member Gallo off the dais, but indicated in favor of.
