BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

Resolution Number 20140807-114 is amended to:

- (1) Direct the City Manager to negotiate and execute an amendment to the existing Parkland Improvement and Land Use Agreement with

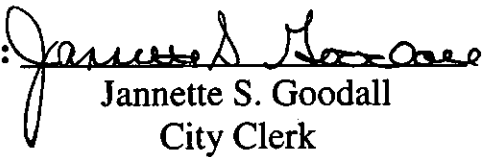

West Austin Youth Association consistent with the terms of this Resolution;

- (2) Direct that the Amendment change the start date of the 25-year term from the effective date of the 2013 Agreement to the construction completion date established in the initially approved construction schedule under section III D of the Agreement;
- (3) Direct that the Amendment change the time period within which the Construction must be complete from six years after the effective date of the 2013 Agreement to not later than ten years after the Lamar Beach Metro Park Master Plan is adopted by City Council and provide for termination of the Agreement if Construction is not complete within the ten year period;
- (4) Direct that the Amendment provide that the time within which the Construction Project must be complete will be tolled during any time when there is a material and substantial denial of access as a direct result of the Pressler Street extension project that materially and substantially interferes with WAYA's ability to complete the Construction Project;
- (5) Direct that the Amendment provide an extension option of up to 25-years, at the sole discretion of the City;
- (6) Direct that the Amendment provide that if a portion of Lamar Beach and Town Lake Metropolitan Park is required by the City for the construction of the Pressler Street extension or other uses in the Lamar Beach Metro Park Master Plan, then that portion of the Park shall not be used for the Improvements described in Exhibits A and B

to the Agreement and that with the exception of this limitation, the Amendment does not extend or limit any WAYA rights under the 2013 Agreement; and

- (7) Direct that the Amendment include the provisions of Resolution 20140807-114 not altered by this Resolution.
